

## APP CENTER

Looking for an app? Visit our App Center for the latest mobile phone applications that use Metro data. Several free and paid mobile applications are available for Android and iOS platforms. KCATA also makes its Google Transit feed available for software developers. More information is available in our App Center.

## WI-FI ON BUS

All MAX vehicles and several Metro buses offer free Wi-Fi service. Signs on board the bus let you know if Wi-Fi is available on the bus you are riding. To log on to Wi-Fi on a MAX or Metro bus, select "THEMETRO" from the network options, and read and accept the terms of service before browsing the internet or checking email.

# STAY CONNECTED

## WEBSITE, WI-FI, & MORE!

Get the most out of your bus riding experience. Our “Stay Connected” program offers Metro customers the latest technologies in real-time bus information, for receiving current Metro news, browsing the Internet and checking email. Connecting to all of this and more is right at your fingertips.

### KCATA.ORG

Got a question about riding the bus? Our website, [www.kcata.org](http://www.kcata.org) has the answers. You'll find:

- ▶ Google Transit trip planner
- ▶ Real-time bus tracker

- ▶ Maps and timetables for all routes
- ▶ Alerts, or “Rider Bulletins,” about reroutes and upcoming changes
- ▶ Fare information, from the single ride to a 31-Day Pass, and where you can buy them
- ▶ Listings of every Park-and-Ride
- ▶ A “How To Ride” video series to help you get comfortable planning your trip, paying a fare, and more
- ▶ Job postings and business opportunities

### TRIP PLANNER

Our online Trip Planner lets you map your route ahead of time. Just enter your starting point, where you want to go, and when you want to get there, and let Google Transit do the rest. You can see maps, directions on walking to the stop and how long the trip will take. The Trip Planner includes route information for other public transit services in the area: Unified Government Transit, The JO and IndeBus.

### BUY PASSES ONLINE

Are you ready to save? With a 31-Day Pass, you will be saving money day after day on The Metro. Visit our online store, [store.kcata.org](http://store.kcata.org), to order a full fare, reduced fare or commuter express pass.

### ONLINE BUS TRACKER

WebWatch is The Metro's official online bus tracker. With WebWatch, you can see where your bus is on a map of the route. You can also get predicted arrival times for your bus. So whether you want to get in a few more minutes of work, or see if you have time to grab a coffee before your bus arrives, you've got the information you need at your fingertips.

### ONLINE NEWSLETTER

Making Connections online newsletter keeps you in the loop and up-to-date on Metro initiatives, programs and promotions.
