ADDENDUM NO. 2

Kansas City Area Transportation Authority 1350 E. 17th Street Kansas City, Missouri 64108

PROJECT NO. #17-7026-26 Pest Control Services

Issue Date: April 6, 2017

This Addendum is hereby made a part of the Bidding Documents and Project Documents to the same extent as if it was originally included therein and is intended to modify and/or interpret the bidding documents by additions, deletions, clarifications or corrections. The Contractor shall acknowledge in the proposal the receipt of this Addendum.

GENERAL INFORMATION

Following is a list of questions, submitted by potential bidders regarding specific items, and the answers:

Question 2: Does KCATA own the bait stations or does the contractor provide?

Answer 2: Contractor's responsibility

Question 3: How many Ultra Violet Fly Traps are needed?

<u>Answer 3</u>: KCATA will purchase if needed; however, sticky fly trap strips may be requested in shop areas.

<u>Question 4</u>: How much time is needed currently for the 2nd Saturday KCATA Central Service Complex sprayings?

<u>Answer 4</u>: Approximately 2-3 hours, but will be dependent on contractor.

Question 5: Are there mice issues at the KCATA Central Service Complex?

<u>Answer 5</u>: Historically there have been issues and anticipate they will continue as normal due to the KCATA Central Service Complex location.

Question 1 may be found on Addendum 1, issued April 5, 2017.
