REQUEST FOR QUOTATION (RFQ) #18-6004-23

Synthetic Transmission Fluid

ADDENDUM 1

Issue Date: April 13, 2018

This Addendum is hereby made a part of the Invitation for Bids issued March 28, 2018 to the same extent as if it was originally included therein and is intended to modify and/or interpret the proposal documents by additions, deletions, clarifications or corrections. The Contractor shall acknowledge in the proposal the receipt of this Addendum.

Page one shall read:

Section has changed in bold.

- Dyna Plex 21C Transmission Fluid (**or Approved Equal**). An automatic transmission fluid designed for use in heavy duty automatic transmissions typically found in bus fleet and over-the-road trucks suitable for Allison automatic transmissions. It meets the ZF TE-ML 14C and Voith G 607, G1363 test and requirements.
- The product must be comparable to the Licensing Requirements of Allison TES-295 Approved Fluids and Approved Oils for Voith DJWA Transmissions.
- Vendor will provide two (2) – one thousand (1,000) gallon bulk deliveries during a one year timeframe as stipulated in the contract.

Question:

Product data sheet for Bel-Ray-HD-Synthetic-Trans-Fluid product is recommended for TES 295, but does not currently have the license. It does exceed the ZF and Voith extended drain requirements. Is there anything you will need from vendors other than this product data sheet to get the product approved for the bid?

Answer:

No, as long as it meets or exceeds the requirements specified in the RFQ.

ATTACHMENTS

- Receipt of Addenda form (to be included with Proposal submittals)
