The Contractor shall be able to respond 24 hours, 7 days a week, and 365 days a year including Holidays within a two (2) hour response time on a system failure (system shut down/lock out) and 4 hours on non-emergency calls. Emergency and non-emergency calls are determined by KCATA.

Contractor agrees that for each hour that it does not meet the above guaranteed response time that a penalty fee of \$150.00 shall be awarded to the KCATA. The penalty fee may be applied to the annual maintenance charges or received in cash, whichever the KCATA prefers.

D. Technical Specifications:

4. Protests.

- a. The following protest procedures will be employed for this procurement. For the purposes of these procedures, “days” shall mean business days of KCATA administrative personnel which are days other than a Saturday, Sunday or legal holidays observed by KCATA for such administrative personnel.
- b. The Interim Director of Procurement shall respond in writing within five (5) days from the date of the written request. - d. The quantities specified for purchase by KCATA are based upon the best available estimates, taking into consideration the consumption during the past periods, and do not determine the actual amount the Authority may order during the contract period. The quantities are subject to change. Payment will be based on actual order quantities based on the unit rates quoted.
- e. It is the intention of the specifications to provide complete and accurate descriptions for materials and/or services required by the KCATA. Any materials or services omitted from the specifications that are clearly necessary for the completion of this bid, although not directly specified or called for in the specifications, shall be considered a portion of the bid. Bidder shall indicate the additional material and services it has determined to be required for this procurement.
- f. Bids shall indicate the unit price, extended to reflect the total bid. Any difference between the unit price correctly extended and the total price shall be resolved in favor of the unit price, except where the bidder clearly indicates that the total price is based on consideration of being awarded all items of the bid.
- g. Bid shall be net and shall reflect any available discount. Separate discount for timely payment shall not be given consideration in evaluating bids, except in the case of bids that end in a tie.
- h. The KCATA is exempt from payment of federal, state and local sales taxes, and such taxes shall not be included in the bid price. Nevertheless, the bidder is not exempt from these taxes when purchasing materials directly from its supplier.

6. Omissions and Form of Contract.

- a. Omissions. The Contractor will be responsible for providing all services, equipment, facilities, and functions which are necessary for the safe, reliable, efficient, and well-managed operation of the program, within the general parameters described in this IFB, and consistent with established industry practices, regardless of whether those services, equipment, facilities, and functions are specifically mentioned in this IFB or not. The bidder should clearly identify any omissions to the requirements set forth in the IFB.

- b. Form of Contract. A **sample** copy of the standard KCATA contract is attached to this IFB as Section 5. The standard contract terms and conditions outline various legal and administrative duties and responsibilities assumed by persons or organizations contracting with KCATA. It contains terms and conditions affecting the successful performance of the procurement. **Bids shall not stipulate any conditions or exceptions to the bid package or addenda.** The successful bidder will be expected to execute this contract. Contractors who take exception to the contract terms and conditions may contact the Buyer of Record prior to the due date to address concerns. However, consideration will only be given to negotiating terms and conditions not required by the Federal Transit Administration (FTA) which will be included in the final contract.

7. Authorization to Bid.

- a. Sealed bids, one original hard copy and two copies shall be signed by an authorized official and submitted to the Procurement Department, Attn: Name, Title, KCATA, 1350 E. 17th Street, Kansas City, Missouri, 64108. *It is highly desirable that the bidder includes one (1) electronic copy of their bid response on flash drive.* The bid number “17-7016-26” should be clearly marked on the front of the return envelope.
- b. If an individual doing business under a fictitious name makes the bid, the bid shall so state. If the bid is made by a partnership, the full names and addresses of all members of the partnership shall be given and one principal member shall sign the bid. If a corporation, Limited Liability Company or other legal entity makes the bid, an authorized officer shall sign it in the corporate name. If the bid is made by a joint venture, the full names and addresses of all members of the joint venture shall be given and one member shall sign the bid authorized thereof.

8. Submittal Deadline.

- a. Sealed bids will be received until the date and time specified for bid closing in Section I, “Bid Schedule”. Bids received before the bid closing time will be kept securely sealed. Bids submitted by facsimile (fax) machine or electronic mail (e-mail) will not be accepted.
- b. At a time specified for bid opening, all bids properly received will be publicly opened and read aloud. Any bid received after this time will not be considered.

9. Incomplete Bid.

All documents that are required to be submitted with this Bid are listed in Section 6. The bidder shall read all forms carefully before signing. Incomplete bid documents may render the bid non-responsive.

10. Withdrawal of Bids.

- a. Bids may be withdrawn upon written request received by the KCATA before the time fixed for closing. Withdrawal of a bid shall not prejudice the right of the bidder to submit a new bid, provided it is received in a timely manner as provided above. The bond or certified check of any bidder withdrawing its bid, in accordance with the foregoing condition, will be returned promptly.
- b. No bids may be withdrawn for a period of ninety (90) days after the time set herein for the opening of bids.

12. Disclosure of Proprietary Information.

- a. A bidder may restrict the disclosure of scientific and technological innovations in which it has a proprietary interest, or other information that is protected from public disclosure by law, which is contained in the bids:

(1) Marking each page of each such document prominently in 16 point font with the words

- “Proprietary Information;”
- (2) printing each page of each such document in a different color paper other than the paper which the remainder of the bid is printed; and
 - (3) segregating each page of each such document in a sealed envelope, which shall prominently display, on the outside, the words “Proprietary Information” in at least 16 point font, along with the name and address of the Bidder.
- b. After either a contract is executed pursuant to the IFB, or all bids are rejected, the bids will be considered public records open for inspection. If access to documents marked “Proprietary Information,” as provided above, is requested under the Missouri Open Records Law, the KCATA will notify the Bidder of the request and the Bidder shall have the burden to establish that such documents are exempt from disclosure under the Law. Notwithstanding the foregoing, in response to a formal request for information, the KCATA reserves the right to release any documents if the KCATA determines that such information is a public record pursuant to the Missouri Sunshine Law.

13. Disadvantaged Business Enterprise (DBE) Requirements

It is the policy of the KCATA and the United States Department of Transportation (USDOT) that Disadvantaged Business Enterprises (DBE's), as defined herein and in the Federal regulations published in 49 CFR Part 26, shall have an equal opportunity to participate in DOT-assisted contracts. It is also the policy of the KCATA to:

1. Ensure nondiscrimination in the award and administration of DOT-assisted contracts;
2. Create a level playing field on which DBE's can compete fairly for DOT-assisted contracts;
3. Ensure that the DBE program is narrowly tailored in accordance with applicable law;
4. Ensure that only firms that fully meet 49 CFR Part 26 eligibility standards are permitted to participate as DBE's;
5. Help remove barriers to the participation of DBE's in DOT-assisted contracts;
6. To promote the use of DBE's in all types of federally assisted contracts and procurement activities; and
7. Assist in the development of firms that can compete successfully in the marketplace outside the DBE program.
 - a. This project is subject to the requirements of Title 49, Code of Federal Regulations (CRF) Part 26, *Participation by Disadvantaged Business Enterprises in Department of Transportation Financial Assistance Programs*. Therefore, the Contractor must satisfy the requirements for DBE participation as set forth herein. These requirements are in addition to all other equal opportunity employment requirements of this Contract.
 - b. The KCATA shall make all determinations with regard to whether or not a Bidder/Offeror is in compliance with the requirements stated herein. In a compliance, the Bidder/Offeror may consider during its review of the Bidder/Offeror's bid submission package, the Bidder/Offeror's documented history of non-compliance with DBE requirements on previous contracts with the KCATA.
 - c. Failure by the Contractor to carry out these requirements is a material breach of the resulting contract, which may result in the termination of the contract or such other remedy as KCATA deems appropriate.

- d. **For this project there has been no goal established for DBE participation.** DBE firms are encouraged to submit bids as Prime Contractors or Subcontractors.
- e. **DBE Certification** – KCATA will only recognize firms that are certified as DBE's under the DOT guidelines found in 49 CFR, Part 26. DBE subcontractors must be certified as a DBE by a member of the Missouri Regional Certification Committee, which includes KCMO, MoDOT, City of St. Louis, Metro in St. Louis or KCATA. A list of certified firms may be found at www.modot.mo.gov/ecr/index.htm. A directory of KDOT certified firms may be found at <https://kdotapp.ksdot.org/dbcontractorlist/>.
- f. **Non-Discrimination.** Bidders shall not discriminate on the basis of race, color, creed, sex, sexual orientation, gender identity, national origin, disability or age in the performance of this project. The Bidder shall carry out applicable requirements of 49 CFR Part 26 in the award and administration of DOT-assisted contracts. Failure by the Contractor to carry out these requirements is a material breach of the Contract, which may result in the termination of the Contract or such other remedy as KCATA deems appropriate. Each subcontract the Contractor signs with a subcontractor must include the assurance in this paragraph. See 49 CFR 26.13(b).

8. DBE Participation Credit.

- 1. DBE firms may participate as Prime Contractors, Subcontractors or Suppliers.
- 2. The following shall be credited towards achieving DBE participation, except as provided herein:
 - a. The total contract dollar amount that a qualified DBE Prime Contractor earns for its portion of work done on the contract that is done by its own workforce is performed in a category in which the DBE is currently certified, and is a commercially useful function as defined by the Program.
 - b. The total contract dollar amount that a Prime Contractor has paid or is obligated to pay to a subcontractor that is a qualified DBE; and
 - c. Subcontractor participation with a lower tier DBE subcontractor; and
 - d. Sixty percent (60%) of the total dollar amount paid or to be paid by a Prime Contractor to obtain supplies or goods from a supplier who is not a manufacturer and who is a qualified DBE. If the DBE is a manufacturer of the supplies, then one hundred percent (100%) may be credited, to be determined on a case-by-case basis.
- 3. No credit, however, will be given for the following:
 - a. Participation in a contract by a DBE that does not perform a commercially useful function as defined by the Program; and
 - b. Any portion of the value of the contract that a DBE Subcontractor subcontracts back to the prime contractor or any other contractor who is not a qualified DBE; and
 - c. Materials and supplies used on the contract unless the DBE is responsible for negotiating the price, determining quality and quantity, ordering the materials and installing (where applicable) and paying for material itself; and
 - d. Work performed by a DBE in a scope of work other than that in which the DBE is currently certified.

9. Documents Due After Award.

1. KCATA reserves the right to review the Contractor's written agreement with its subcontractors (DBE and non-DBE) to confirm that required federal contract clauses are included. KCATA may perform random audits and contact minority subcontractors to confirm the reported participation.
2. Subcontractor Monthly Utilization Report. Contractors will be required to submit this report with each request for payment to KCATA. This report will include payments to ALL subcontractors – DBE and non-DBE. KCATA may require lien waivers from all subcontractors before reimbursement is made to the Contractor. KCATA may perform random audits and contact minority subcontractors to confirm the reported participation. Failure to meet the contracted goal without documented evidence of good faith effort may result in the termination of the contract.
3. Request for Modification, Replacement or Termination of Disadvantaged Business Enterprise (DBE) Project Participation. Contractor is responsible for meeting or exceeding the DBE commitment amounts listed on the *Schedule of Participation by Contractor and Subcontractors form* submitted as part of Contractor's Bid Documents and as amended by any previously approved Request for Modification/Substitution. Any Change Orders or amendment modifying the amount Contractor is to be compensated will impact the amount of compensation due to DBEs for purposes of meeting or exceeding the Bidder/Proposer commitment. Contractor shall consider the effect of a Change Order or amendment and submit a Request for Modification/Substitution if the DBE commitment changes.
 - a) **Termination Only for Cause** - Prior to an award of a negotiated procurement and once a contract has been awarded; Contractor may not substitute or terminate a DBE subcontractor without KCATA's prior written consent. This includes, but is not limited to, instances in which a Contractor seeks to perform work originally designated for a DBE subcontractor with its own forces or those of an affiliate, a non-DBE firm, or with another DBE firm.
 - b) Written consent of termination may be given if the Contractor has demonstrated good cause. Good cause includes the following circumstances:
 - 1) The listed DBE subcontractor fails or refuses to execute a written contract; or
 - 2) The listed DBE subcontractor fails or refuses to perform the work of its subcontract in a way consistent with normal industry standards. Provided, however, that the good cause does not exist if the failure or refusal of the DBE subcontractor to perform its work on the subcontract results from the bad faith or discriminatory action of the Prime Contractor; or
 - 3) The listed DBE subcontractor fails or refuses to meet the Prime Contractor's reasonable, nondiscriminatory bond requirements; or
 - 4) The listed DBE subcontractor becomes bankrupt, insolvent, or exhibits credit unworthiness; or
 - 5) The listed DBE subcontractor is ineligible to work on public works projects because of suspension and debarment proceedings pursuant to 2 CFR Parts 180, 215 and 1200 or applicable state law; or
 - 6) The DBE subcontractor is not a responsible contractor; or
 - 7) The listed DBE subcontractor voluntarily withdraws from the project and provides the Prime Contractor written notice of its withdrawal;

- 8) The listed DBE is ineligible to receive DBE credit for the type of work required;
 - 9) A DBE owner dies or becomes disabled with the result that the listed DBE contractor is unable to complete its work on the contract;
 - 10) Other documented good cause that compels KCATA to terminate the DBE subcontractor. Provided the good cause does not exist if the Prime contractor seeks to terminate a DBE it relied upon to obtain the contract so that the Prime Contractor can self-perform the work for which the DBE contractor was engaged or so that the Prime Contractor can substitute another DBE or non-DBE contractor.
- c) Before submitting its request to terminate or substitute a DBE subcontractor, the Prime Contractor must give notice in writing to the DBE subcontractor, with a copy to KCATA, of its intent to request to terminate and/or substitute, and the reason for the request.
 - d) The Prime Contractor must give the DBE five days to respond to the Prime Contractor's notice and advise KCATA and the Contractor of the reasons, if any, why it objects to the proposed termination of its subcontract and why KCATA should not approve the Prime Contractor's action. If required in a particular case as a matter of public necessity (e.g., safety), the response period may be shortened.
 - e) For questions concerning KCATA's DBE Program requirements, please contact Ms. Canesha Moore, KCATA's DBE Liaison Officer, at (816) 346-0272 or via email at cmoore@kcata.org.

SECTION 4 BID EVALUATION, ACCEPTANCE AND AWARD

1. Bid Evaluation.

- a. It is the intent of the KCATA to award a contract to the responsive and responsible bidder whose bid conforming to this IFB, is the lowest in price and, in KCATA's sole discretion, the most advantageous to the KCATA. Factors such as discounts, transportation costs and life cycle costs will be considered in determining which bid is lowest in price.
- b. A responsible bidder possesses the ability to perform successfully under the terms and conditions of the proposed contract considering matters including Contractor integrity, record of past performance, and financial and technical resources.
- c. The low bidder will be required to demonstrate its ability to provide the times and/or perform services contained in the solicitation, in a timely manner, to the complete satisfaction of the Authority. Doubt as to technical ability, productive capability, and financial strength which cannot be resolved affirmatively may result in a determination of non-responsibility by KCATA.
- d. If the low bidder is eliminated, then the second lowest bidder will be required to demonstrate its ability to perform services as described herein. This process will continue to the next lowest bidder until a bidder successfully meets the specification requirements.
- e. KCATA reserves the right to investigate the qualifications of all bidders under consideration to confirm any part of the information furnished by a bidder, or to require other evidence of managerial, financial or other capabilities which are considered necessary for the successful performance of the contract.

2. Bid Acceptance. Refer to Sample Contract (Section 5)

Each bid is to be submitted with the understanding that the acceptance in writing by the KCATA of the bid to furnish the materials and services, or any part thereof, described therein shall constitute a contract between the bidder and the KCATA which shall bind the bidder on its part to furnish and deliver at the price given and in accordance with the terms and conditions of said accepted bid and these conditions.

3. **Unbalanced Bid.** The Authority may determine that a bid is non-responsive if the prices proposed are materially unbalanced. A bid is materially unbalanced when it is based on prices significantly less than cost or prices significantly overstated relative to cost.

4. Bid Award.

- a. The procurement shall be awarded on the basis of the lowest responsive bidder complying with all the conditions of the bids, specifications, and instruction. The KCATA reserves the right to award any or all items of the bid or not to award at all.
- b. In the case of multiple line items, the KCATA reserves the right to award the entire bid to one bidder, or to split the award of the items to multiple bidders.
- c. If awarded at all, the bid may be awarded to the bidder whose total price is lowest, whose bid is responsive to the invitation thereof, and who is determined to be technically and financially responsible to perform as required. The KCATA reserves the right to accept another bid, if it is in the best interest of the Authority. **Conditional bids and any bid taking exception to these instructions or conditions, to the contract conditions or specifications, or to other contract requirements shall be considered non-responsive and shall be rejected.**

5. Purchase Order or Contract.

- a. Upon acceptance and award of a bid by KCATA, a purchase order or contract shall be issued thereon and shall constitute a contract for furnishing the items described in the bid in strict conformity with the specifications and bid conditions.
- b. The purchase order or contract shall be considered as made in Kansas City, Missouri, and the construction and enforcement of it shall be in accordance with the laws of the State of Missouri except those pertaining to conflicts of law.

6. Bidder's Responsibilities.

- a. By submitting a bid, the bidder represents that bidder has read and understands the IFB and the bid is made in accordance with the IFB; and
- b. By submitting a bid, the bidder represents that bidder possesses the capabilities, resources, and personnel necessary to provide efficient and successful service to KCATA.

7. Reservations. This IFB does not commit KCATA to award a contract, to pay any cost incurred in preparation of a bid, or to procure a contract for services. The KCATA reserves the right to waive informalities or irregularities in bids, and to reject any or all bids; to cancel this IFB in part or in its entirety, and to re-advertise for bid if it is in the best interest of the Authority. KCATA shall be the sole judge of what is in its best interest with respect to this IFB.

8. Debarment.

- a. The bidder shall certify that it is not included in the "U.S. General Services Administration's List of Parties Excluded from Federal Procurement or Non-procurement Programs".
