SECTION 2 SCOPE OF SERVICES

2.1 Introduction

The Kansas City Area Transportation Authority (KCATA or Authority) is the regional transit authority in the Kansas City metropolitan area. It was formed by a compact in 1965 and has authority to manage and operate transit service in both Kansas and Missouri. The compact gives KCATA responsibility for planning, constructing, owning and operating passenger transportation systems and facilities within the seven-county Kansas City metropolitan area. These include the counties of Cass, Clay, Jackson and Platte in Missouri, and Johnson, Leavenworth and Wyandotte in Kansas. KCATA is governed by a 10-member Board of Commissioners, five from the state of Kansas and five from the state of Missouri.

2.2 Scope of Services

- A. KCATA is seeking a qualified firm or individual to act as an independent financial advisor on KCATA's behalf.

- B. The role of the Financial Advisor is to provide independent financial advice related to debt management, cash management and practices, operating and capital budget best practices, financial forecasting and planning, etc., which serves the interests of the Authority. These services may include, **but are not limited to:**
 - 1. Serving as the Authority's bond market expert, including tax-exempt and taxable markets, fixed-rate and variable rate markets, and provide on-going analysis of current and upcoming trends and events in these areas.
 - 2. With respect to bond financings, assist in sizing and structuring of the sale done on a competitive or negotiated basis, establish syndicate policies and closing procedures, and prepare any other materials required to facilitate the sale and increase competition for the purchase of the debt obligations.
 - 3. Assist in determining the appropriate level of government backing for financings, including general obligation, project-revenue financing, annual appropriation, Public Building Commission lease structure, and or private placement of the debt.
 - 4. Assist in the preparation, presentation, and distribution of the Preliminary Official Statement (POS), Notice of Sale (NOS), Official Statement (OS) and any other documents required for the sale of any securities.
 - 5. Assist in developing and presenting information to rating agencies, investors and other municipal market participants.
 - 6. Assist in post-issuance compliance, arbitrage rebate analysis, and continuing disclosure requirements.
 - 7. Monitor outstanding debt portfolios and identify and evaluate opportunities to retire or refund outstanding bond indebtedness.

8. Work with bond counsel in advance of the publication or sale of any securities to ensure acceptance of the financing structure to deliver an unqualified tax opinion to the government.
9. If the securities are sold on a competitive basis, assist in the bid process, verify bids, and re-allocate principal amounts if required.
10. If the securities are sold on a negotiated basis, participate in the underwriting selection; including identifying firms, assisting in the request for proposal, evaluating responses and comparative pricing evaluations. Negotiate the pricing structure and allocations and enforce the co-manager participation goals. Act as the liaison between the underwriting syndicate and the government.
11. If the debt is sold on a private-placement basis, assist with all aspects of the transaction, including negotiations, or competitive bid, document preparation, proposal review, final terms, and closing.
12. Advise the Authority on reinvestment strategies for bond proceeds or any other funds related to the government's financings and assist in the negotiation of final terms.
13. Provide an independent Investment Advisor registered with the Securities and Exchange Commission pursuant to the Investment Advisers Act of 1940 and the rules adopted thereunder, or a "Municipal Advisor" as defined by Section 975 of the Dodd-Frank Wall Street Reform and Consumer Protection Act, amending Section 15B of the Securities Exchange Act of 1934, and interpreted by the Securities and Exchange Commission in its final rules adopted September 10, 2013, to advise the Authority on investment activities.
14. Perform special projects, including but not limited to assistance with economic development financings and evaluations. Projects may include tax increment and (sales-tax supported) financings.
15. Assist in evaluation of capital equipment lease and financing options, including preparation and evaluation of request for proposal for this service.
16. Make available qualified personnel for consultations and conferences with government officials, bond counsel, and staff members of the government for meetings on an as-needed basis.

**SECTION 3.

- C. In cases where communication is required between Proposers and the KCATA, such as requests for information, instruction, and clarification of specifications, such communication shall be forwarded in writing directly to Denise Adams at dadams@kcata.org by the indicated deadline. The subject line of electronic communications must reference the RFP number and title.
- D. Submitting a proposal constitutes a firm offer to KCATA for one hundred twenty (120) days from the closing date.
- E. KCATA is not responsible for any cost or expense that may be incurred by the Proposer before the execution of a contract, including costs associated with preparing a proposal or interviews.

3.2 Reservations

- A. KCATA reserves the right to waive informalities or irregularities in proposals, to accept or reject any or all proposals, to cancel this RFP in part or in its entirety, and to re-advertise for proposals if it is in the best interest of the Authority. KCATA shall be the sole judge of what is in its best interest with respect to this RFP.
- B. KCATA also reserves the right to award a contract solely on the basis of the initial proposal without interviews or negotiations. Therefore, offers should be submitted to KCATA on the most favorable terms possible, from a technical standpoint.

3.3 Proposer’s Responsibilities

- A. By submitting a proposal, the Proposer represents that:
 - 1. The Proposer has read and understands the RFP and the proposal is made in accordance with the RFP requirements and instructions;

If a corporation makes the proposal, an authorized officer should sign the proposal in the corporate name. If the proposal is made by a joint venture, the full names and addresses of all members of the joint venture should be given and one authorized member should sign the proposal.

3.5 Withdrawal & Incomplete Proposals

- A. Proposals may be withdrawn upon written request received by KCATA before proposal closing. Withdrawal of a proposal does not prejudice the right of the Proposer to submit a new proposal, provided the new proposal is received before the closing date.
- B. Incomplete proposals may render the proposal non-responsive.

3.6 Modification of Proposals

Any proposal modifications or revisions received after the time specified for proposal closing may not be considered.

3.7 Unbalanced Proposals

KCATA may determine that an offer is unacceptable if the prices proposed are materially unbalanced. An offer is materially unbalanced when it is based on prices significantly less than cost for some work and prices which are significantly overstated in relation to cost for other work.

3.8 Protests

- A. The following protest procedures will be employed for this procurement. For the purposes of these procedures, "days" shall mean business days of KCATA administrative personnel which are days other than a Saturday, Sunday or legal holiday observed by KCATA for such administrative personnel.

 2. **Post-Submittal/Pre-Award.** A post-submittal/pre-award protest is a protest against making an award and is received after receipt of proposals but before award of a contract.  - C. The Chief Financial Officer will decide if the protest and the appeal (if any) have been given fair and reasonable consideration, or if additional consideration is warranted. The Chief Financial Officer's response will be provided within ten (10) days after receipt of the request. The Chief Financial Officer's decision is final and no further action on the protest shall be taken by the KCATA.
 - D. By written notice to all parties, KCATA's Director of Procurement may extend the time provided for each step of the protest procedures, extend the date of notice of award, or postpone the award of a contract if deemed appropriate for protest resolution.
 - E. Protesters shall be aware of the Federal Transit Administration's (FTA) protest procedures with the FTA Regional Office (ref: FTA Circular 4220.1F) If federal funding is involved, FTA will review protests from a third party only when: 1) a grantee does not have a written protest procedure or fails to follow its procedure or fails to review a complaint or protest; or 2) violations of specific federal laws or regulations have occurred.

 1. marking each page of each such document prominently in at least 16-point font with the words "Proprietary Information;"
 2. printing each page of each such document on a different color paper than the paper on which the remainder of the proposal is printed; and
 3. segregating each page of each such document in a sealed envelope, which shall prominently display, on the outside, the words "Proprietary Information" in at least 16-point font, along with the name and address of the Proposer.
- B. After either a contract is executed pursuant to this RFP, or all proposals are rejected, the proposals will be considered public records open for inspection. If access to documents marked "Proprietary Information," as provided above, is requested under the Missouri Sunshine Law, Section 610 of the Revised Statutes of Missouri, the KCATA will notify the Proposer of the request

and the Proposer shall have the burden to establish that such documents are exempt from disclosure under the law. Notwithstanding the foregoing, in response to a formal request for information, the KCATA reserves the right to release any documents if the KCATA determines that such information is a public record pursuant to the Missouri Sunshine Law.

3.10 Disadvantaged Business Enterprise (DBE) Requirements

- A. It is the policy of KCATA and the United States Department of Transportation (USDOT) that Disadvantaged Business Enterprises (DBE's) and Small Business Enterprises (SBE's), as defined herein and in the Federal regulations published as 49 CFR Part 26, shall have an equal opportunity to participate in DOT-assisted contracts. It is also the policy of KCATA to:
1. Ensure nondiscrimination in the award and administration of DOT-assisted contracts;
 2. Create a level playing field on which DBE's/SBE's can compete fairly for DOT-assisted contracts;
 3. Ensure that the DBE program is narrowly tailored in accordance with applicable law;
 4. Ensure that only firms that fully meet 49 CFR Part 26 eligibility are permitted to participate as DBE's;
 5. Help remove barriers to the participation of DBE's in DOT assisted contracts;
 6. To promote the use of DBE's in all types of federally assisted contracts and procurement activities; and
 7. Assist in the development of firms that can compete successfully in the marketplace outside the DBE program.
- B. Certified Minority Owned Business Enterprises (MBE's), Woman Owned Business Enterprises (WBE's), Small Business Enterprises (SBE's) and DBE firms are encouraged to submit proposals as prime or subcontractors. **This project is not federally-funded and has no DBE goal.**
- C. **Non-discrimination.** Proposers shall not discriminate on the basis of race, color, national origin, or sex in the performance of this project. The Proposer shall carry out applicable requirements of 49 CFR Part 26 in the award and administration of DOT-assisted contracts. Failure by the Proposer to carry out these requirements is a material breach of the resulting contract, which may result in the termination of the contract or such other remedy as KCATA deems appropriate.
- D. **DBE Certification.** DBE firms may participate as prime Contractors, subcontractors or suppliers. KCATA will only recognize firms that are certified as DBEs under the DOT guidelines found in 49 CFR Part 26. Firms must be certified as a DBE by a member of the Missouri Regional Certification Committee, which includes KCMO, MoDOT, City of St. Louis, Metro in St. Louis or KCATA. A list of certified firms may be found at www.modot.mo.gov/ecr/index.htm.

4.2 Volume I – Cost Proposal

- A. Proposers are asked to submit a Cost/Price Proposal (Attachment D) that details all costs associated with the completion of the services as described in Section 2, “Scope of Services.” The Cost/Price Proposal shall include the following:
1. Provide a fee scale (e.g., base fee + incremental) for bonds issued and state the maximum fee per issue.
 2. Identify which fees are on an hourly basis. If hourly rates are proposed for any type of service, include the rates for lead advisor, investment advisor, and other staff assigned to the project. The rates shall be fully burdened and based on current W-2 rates incurred and will be limited to the hourly rates as proposed by the Proposer in this Proposal and approved by KCATA negotiations.
 3. Identify which fees are on a negotiated basis.
 4. Describe any condition attached to a proposed fee, that would be payable on a contingent basis.

- B. The costs/prices included in the Cost/Price Proposal must be fair and reasonable and should include all items of labor, materials, and other costs necessary to perform the contract. 4.3 Volume II - Technical Proposal

Each technical proposal must be so specific, detailed and complete as to clearly and fully demonstrate that the Proposer has a thorough knowledge and understanding of the requirements and has valid and practical solutions for technical problems. Statements which paraphrase the requirements or state that "standard procedures will be employed" are inadequate to demonstrate how the Proposer will comply with the requirements of this procurement.
- E. To achieve a uniform review process and obtain the maximum degree of compatibility, technical proposals must be organized as follows:
1. **Letter of Transmittal**

The letter should be addressed to Denise Adams, Manager of Procurement, and signed by a corporate officer with authority to bind the firm. The letter must contain the following:
