GENERAL INFORMATION

Question: Are your lead-time requirement to provide delivery within 20 days from when an order is placed? That window seems rather generous so I just wanted to verify your delivery requirements?

Answer: **KCATA realizes that some of the filters will be stock items however, some filter are of odd sizes and will need to be special ordered, that's why KCATA allowed a maximum 20 days for delivery.**

Question: Would it be possible to know who currently has this contract?

Answer: **This is a new procurement for KCATA.**

Note: The following filters have been tested and are not approved by KCATA, they do not meet manufactures specifications.
