

# Kansas City Light Rail

CITY OF FOUNTAINS  
HEART OF THE NATION

KANSAS CITY  
MISSOURI

You are invited to a series of public meetings designed to gather input on light rail.

There will be four sets of five meetings broken down geographically along the proposed light rail corridor. Everyone is welcome at any and all area meetings! The meetings will be conducted in a series format, covering designated topics at each one. Here's the basic breakdown for each set of meetings:

- Meeting #1: Orientation & Goals
- Meeting #2: Street Alignment, Station Locations, Economic Development
- Meeting #3: Street Alignment, Station Locations, Economic Development
- Meeting #4: Report-out & Discussion
- Meeting #5: Follow-up Meetings (see bottom of page)
