REQUEST FOR QUALIFICATIONS (RFQ) #F21-7004-39A
FINAL DESIGN SERVICES FOR KANSAS CITY STREETCAR
RIVERFRONT EXTENSION

ADDENDUM #1

Issue Date: March 18, 2021

This Addendum is hereby made a part of the Request for Qualifications and Project Documents to the same extent as if it were originally included therein and is intended to modify and/or interpret the RFQ documents by additions, deletions, clarifications, or corrections. The Contractor shall acknowledge receipt of this Addendum in their Proposal on the "Receipt of Addenda" form (herein attached) and shall include the form in Volume III, "Contractual."

PROPOSER QUESTIONS

1. Q: Can you provide more detail on the existing survey information that will be made available to the selected team? Including existing topographic information, utility information, structural information and ROW information? When was the existing survey data collected?

A: The existing survey was completed in Nov-Dec 2017. It contains topo, utilities, curbs, existing ROW on at-grade portions, the structure portion contains centerline of structure, location of expansion joints, and location of UG railroads and the OH structure.
2. Q: Can you provide more detail on the existing geotechnical information that will be made available to the selected team? Including general information on subsurface investigations, lab testing and analysis?

A: Over the past several decades numerous borings have been made in the area of existing viaduct. It is anticipated that these borings will be provided. The 30% plans do not contain geotechnical information.

PRE-PROPOSAL CONFERENCE AND ATTENDEES

1. A video recording of the Pre-Proposal conference is available on KCATA's project FTP site.
2. The project distribution list, including those that attended the pre-proposal conference, is attached. Staff cannot guarantee that all names were captured.

ATTACHMENTS

- Distribution List/Pre-Proposal Conference Attendees
- "Receipt of Addenda" Form that must be included with proposal (Volume II)
