**SECTION 2.**  
**SCOPE OF WORK**

**2.1 Introduction**

- A. The Kansas City Area Transportation Authority (“KCATA” or “Authority”) was formed in 1965 by the signing of a bi-state compact between the States of Missouri and Kansas. The compact gives the KCATA responsibility for planning, constructing, owning, and operating transportation systems and facilities within the seven-county (Cass, Clay, Jackson, and Platte in Missouri; and Johnson, Leavenworth, and Wyandotte in Kansas) metropolitan area.
- B. A 10-member Board of Commissioners governs KCATA and are representatives from the counties served -- five members are from Missouri and five members are from Kansas. Commissioners are limited to two consecutive, four-year terms. Responsibility for the management, control, and operation of KCATA and its properties is vested in the Board. The CEO of KCATA manages the agency and reports directly to the Board of Commissioners.
- C. Kansas City’s coordinated regional system is branded as RideKC. As part of this coordinated system, KCATA manages Johnson County Transit and contracts with the Unified Government of Wyandotte County and the City of Independence, Missouri to provide transit service.
- D. KCATA operates fixed route bus service – RideKC, the MAX Bus Rapid Transit (BRT) service, Flex demand-response routes, RideKC Freedom paratransit for the elderly and persons with disabilities, and RideKC Van vanpool service. In 2019, KCATA had 12.4 million passengers and an average of 40,000 weekday riders. The KCATA transit system provides nearly 8 million miles and 600,000 hours of scheduled transit per year. The fixed-route bus, MAX, and paratransit services operate from 4:15 a.m. to 12:00 a.m., Monday through Sunday.
- E. KCATA headquarters are located in the Breen Administration Building at 1200 East 18th Street, Kansas City, MO. There is a campus of buildings at this location that includes a maintenance garage, additional administrative offices, and the bus barn. KCATA also maintains six FTA-funded transit stations in Kansas City, MO and two stations in Kansas City, KS. KCATA also operates thirty-five (35) park-and-ride lots and transit centers throughout the metropolitan area.

- D. In cases where communication is required between Proposers and the KCATA, such as requests for information, instruction, and clarification of specifications, such communication shall be forwarded in writing directly to Denise Adams at [dadams@kcata.org](mailto:dadams@kcata.org) by the indicated deadline. The subject line of electronic communications must reference the RFP number and title.
- E. Submitting a proposal constitutes a firm offer to KCATA for one hundred twenty (120) days from the closing date.
- F. KCATA is not responsible for any cost or expense that may be incurred by the Proposer before the execution of a contract, including costs associated with preparing a proposal or interviews.

**3.2 Reservations**

- A. KCATA reserves the right to waive informalities or irregularities in proposals, to accept or reject any or all proposals, to cancel this RFP in part or in its entirety, and to re-advertise for proposals if it is in the best interest of the Authority. KCATA shall be the sole judge of what is in its best interest with respect to this RFP.
- B. KCATA reserves the right to make multiple awards if it is in the best interest of the Authority.
- C. KCATA also reserves the right to award a contract solely on the basis of the initial proposal without interviews or negotiations. Therefore, offers should be submitted to KCATA on the most favorable terms possible, from a technical standpoint.

**3.3 Proposer’s Responsibilities**

- A. By submitting a proposal, the Proposer represents that:
  - 1. The Proposer has read and understands the RFP and the proposal is made in accordance with the

RFP requirements and instructions;

2. The Proposer possesses the capabilities, resources, and personnel necessary to provide efficient and successful service to KCATA; and
3. It is authorized to transact business in the State of Missouri.

B. Before submitting a proposal, the Proposer should make all investigations and examinations necessary to ascertain site or other conditions and requirements affecting the full performance of the contract.

### **3.4 Authorization to Propose**

If an individual doing business under a fictitious name makes the proposal, the proposal should so state. If the proposal is made by a partnership, the full names and addresses of all members of the partnership must be given and one principal member should sign the proposal. If a corporation makes the proposal, an authorized officer should sign the proposal in the corporate name. If the proposal is made by a joint venture, the full names and addresses of all members of the joint venture should be given and one authorized member should sign the proposal.

### **3.5 Withdrawal & Incomplete Proposals**

A. Proposals may be withdrawn upon written request received by KCATA before proposal closing. Withdrawal of a proposal does not prejudice the right of the Proposer to submit a new proposal, provided the new proposal is received before the closing date.

B. Incomplete proposals may render the proposal non-responsive.

### **3.6 Modification of Proposals**

Any proposal modifications or revisions received after the time specified for proposal closing may not be considered.

### **3.7 Unbalanced Proposals**

KCATA may determine that an offer is unacceptable if the prices proposed are materially unbalanced. An offer is materially unbalanced when it is based on prices significantly less than cost for some work and prices which are significantly overstated in relation to cost for other work.

### **3.8 Protests**

A. The following protest procedures will be employed for this procurement. For the purposes of these procedures, "days" shall mean business days of KCATA administrative personnel which are days other than a Saturday, Sunday or legal holiday observed by KCATA for such administrative personnel.

1. **Pre-Submittal.** A pre-submittal protest is received prior to the proposal due date. Pre-submittal protests must be received by the Authority, in writing and addressed to KCATA's Director of Procurement, no later than five (5) days before the bid closing date.
2. **Post-Submittal/Pre-Award.** A post-submittal/pre-award protest is a protest against making an award and is received after receipt of proposals but before award of a contract. Post-submittal protests must be received by the Authority, in writing and addressed to the KCATA's Director of Procurement, no later than five (5) days after the bid closing date.
3. **Post-Award.** Post-Award protests must be received by the Authority, in writing and addressed to KCATA's Director of Procurement, no later than five (5) days after the date of the Notice of Intent

to Award.

- B. KCATA's Director of Procurement shall respond in writing within five (5) days from the date of the written request. If the protester is not satisfied with the response of the Director of Procurement, the protester may appeal in writing to KCATA's Chief Financial Officer within five (5) days from the date of the Director of Procurement's response.
- C. The Chief Financial Officer will decide if the protest and the appeal (if any) have been given fair and reasonable consideration, or if additional consideration is warranted. The Chief Financial Officer's response will be provided within ten (10) days after receipt of the request. The Chief Financial Officer's decision is final and no further action on the protest shall be taken by the KCATA.
- D. By written notice to all parties, KCATA's Director of Procurement may extend the time provided for each step of the protest procedures, extend the date of notice of award, or postpone the award of a contract if deemed appropriate for protest resolution.
- E. Protesters shall be aware of the Federal Transit Administration's (FTA) protest procedures with the FTA Regional Office (ref: FTA Circular 4220.1F) where federal funding is involved. FTA will not substitute its judgment for that of the KCATA unless the matter is primarily a Federal concern.
- F. An appeal to FTA must be received by FTA's regional office within five (5) working days of the date the protester learned or should have learned of KCATA's decision. Protests shall be addressed to: Regional Administrator, FTA Region 7, 901 Locust, Room 404, Kansas City, Missouri, 64106.

### **3.9 Disclosure of Proprietary Information.**

- A. A proposer may restrict the disclosure of scientific and technological innovations in which it has a proprietary interest, or other information that is protected from public disclosure by law, which is contained in the proposal by:
  - 1. marking each page of each such document prominently in at least 16-point font with the words "Proprietary Information;"
  - 2. printing each page of each such document on a different color paper than the paper on which the remainder of the proposal is printed; and
  - 3. segregating each page of each such document in a sealed envelope, which shall prominently display, on the outside, the words "Proprietary Information" in at least 16-point font, along with the name and address of the Proposer.
- B. After either a contract is executed pursuant to this RFP, or all proposals are rejected, the proposals will be considered public records open for inspection. If access to documents marked "Proprietary Information," as provided above, is requested under the Missouri Sunshine Law, Section 610 of the Revised Statutes of Missouri, the KCATA will notify the Proposer of the request and the Proposer shall have the burden to establish that such documents are exempt from disclosure under the law. Notwithstanding the foregoing, in response to a formal request for information, the KCATA reserves the right to release any documents if the KCATA determines that such information is a public record pursuant to the Missouri Sunshine Law.

### **3.10 Policy Regarding Disadvantaged (DBE), Small (SBE), Minority (MBE) and Woman-Owned (WBE) Business Enterprises**

- A. It is the policy of KCATA and the United States Department of Transportation (USDOT) that Disadvantaged Business Enterprises (DBE's) and Small Business Enterprises (SBE's), as defined herein and in the Federal regulations published as 49 CFR Part 26, shall have an equal opportunity to participate in in DOT-assisted contracts. It is also the policy of KCATA to:

1. Ensure nondiscrimination in the award and administration of DOT-assisted contracts;
  2. Create a level playing field on which DBE's/SBE's can compete fairly for DOT-assisted contracts;
  3. Ensure that the DBE program is narrowly tailored in accordance with applicable law;
  4. Ensure that only firms that fully meet 49 CFR Part 26 eligibility are permitted to participate as DBE's;
  5. Help remove barriers to the participation of DBE's in DOT assisted contracts;
  6. To promote the use of DBE's in all types of federally assisted contracts and procurement activities; and
  7. Assist in the development of firms that can compete successfully in the marketplace outside the DBE program.
- B. **Non-discrimination.** Proposers shall not discriminate on the basis of race, color, creed, age, sex, sexual orientation, gender identity, national origin, or disability in the performance of this project. The Proposer shall carry out applicable requirements of 49 CFR Part 26 in the award and administration of DOT-assisted contracts. Failure by the Proposer to carry out these requirements is a material breach of the resulting contract, which may result in the termination of the contract or such other remedy as KCATA deems appropriate.
- C. KCATA will award an on-call, as needed contract. As such, the funding source for the various legal matters is not identified until that that time. Therefore, there is no DBE goal established. DBE participation, if utilized on a federally funded matter, will be counted in KCATA's reporting. Certified DBE, MBE, WBE and SBE firms are encouraged to submit proposals as prime or subcontractors.
- D. **DBE Participation.** DBE/SBE firms may participate as prime Contractors, subcontractors, or suppliers. KCATA will only recognize firms that are certified as DBEs/SBEs under the DOT guidelines found in 49 CFR Part 26. Firms must be certified as a DBE/SBE by a member of the Missouri Regional Certification Committee, which includes KCMO, MoDOT, City of St. Louis, Metro in St. Louis or KCATA. A list of certified firms may be found at [located on MoDOT's website](#).
- E. **Minority-Owned Business Enterprise (MBE) and Women-Owned Business Enterprise (WBE) Participation.**
1. KCATA has established a similar policy and program to promote MBE and WBE participation on projects when DBE and/or SBE goals cannot be established. Work orders that have no grant funding will be considered for MBE/WBE participation goals.
  2. MBE/WBE firms may participate as prime contractors, subcontractors, or suppliers. KCATA will only recognize firms that are certified as MBEs/WBEs under the MBE/WBE Criteria based on 49 C.F.R. (Code of Federal Regulations) Part 26, Subpart D Firms (§26.61through §26.73) where applicable, and Subpart E (§26.81 through §26.87) where applicable. Only firms certified with **KCATA, City of Kansas City, MO, State of Missouri Office of Equal Opportunity, or Kansas Department of Commerce** will be considered eligible to meet KCATA's MBE/WBE project goals. Each firm's signed MBE or WBE certificate will need to be included in their bid package to be considered for MBE or WBE goal participation. A list of certified firms from each agency is listed below:

Firms are encouraged to submit only proposal material that is relative to the consultant services and scope cited. Including extra marketing materials and publications is discouraged.
- B. Volumes shall be submitted in the following order:
  - a. **Volume I: Price Proposal**
  - b. **Volume II - Technical Proposal**

- D. **No Price Proposal information shall be included in Volumes I and II.**

**4.2 Volume I – Price Proposal**

- A. Proposers are asked to submit a Price Proposal (Attachment D) that details all costs associated with the completion of the services as described in Section 2, "Scope of Services." The Price Proposal shall include the following:

  - 4. The rates included in the Price Proposal must be fair and reasonable and should include all items of labor, materials, and other costs necessary to perform the contract.   - 6. Proposers may submit a proposal detailing cost saving options for legal services.

Each technical proposal must be so specific, detailed, and complete as to clearly and fully demonstrate that the Proposer has a thorough knowledge and understanding of the requirements and has valid and practical solutions for technical problems. attorney's fees whether or not suit be commenced) by or to any person or entity (collectively the "Liabilities") arising out of, caused by, or resulting from the acts or omissions of Contractor, subcontractors, or sub-subcontractors, their respective agents or anyone directly or indirectly employed by any of them in performing work under this Contract, regardless of whether or not such claim, damage, loss or expense is caused in part by a party indemnified hereunder, so long as such Liabilities are not caused by the sole negligence or willful misconduct of a party indemnified hereunder. Such obligation shall not be construed to negate, abridge, or otherwise reduce other rights or obligations of indemnity which would otherwise exist as to a party or person described in this paragraph. Contractor shall also indemnify, hold harmless and defend the KCATA for any contractor or subcontractor action, tort, or violation of federal or state law or city ordinance.

2. In claims against any person or entity indemnified under this section, by an employee or Contractor, or anyone directly or indirectly employed by any of them, the subcontractor or sub-subcontractor indemnification obligation shall not be limited by a limitation on the amount or type of damages, compensation or benefits payable by or for the Contractor, subcontractor, or sub-subcontractor under worker's compensation acts, disability benefit acts or other employee benefit acts. Under these circumstances, KCATA retains the right to recover all costs of defense from the Contractor.
4. KCATA shall permit Contractor to participate in the defense of any such action or suit through counsel chosen by the Contractor, provided that all fees and expenses of such counsel shall be borne by Contractor. If KCATA permits Contractor to undertake, conduct and control the conduct and settlement of such action or suit, Contractor shall not consent to any settlement that does not include as an unconditional term thereof the giving of a complete release from liability with respect to such action or suit to KCATA. Contractor shall promptly reimburse KCATA for the full amount of any damages, including fees and expenses of counsel for KCATA, incurred in connection with any such action.

1. If the Contractor does not deliver supplies in accordance with the contract delivery schedule or according to specifications, or if the Contract is for services, and the Contractor fails to perform in the manner called for in the Contract, or if the Contractor fails to comply with any other provisions of the Contract, KCATA may terminate this Contract for default. Termination shall be effected by serving a notice of termination on the Contractor setting forth the manner in which the Contractor is in default. The Contractor will only be paid the contract price for supplies delivered and accepted, or services performed in accordance with the manner of performance set forth cost of the Contract.
  2. If the termination is for failure of the Contractor to fulfill the contract obligations, KCATA may complete the work by contract or otherwise and the Contractor shall be liable for any additional cost incurred by KCATA. If, after termination for failure to fulfill contract obligations, it is determined that the Contractor was not in default, KCATA, after setting up a new delivery or performance schedule, may allow the Contractor to continue work, or treat the termination as a termination for convenience.
- D. **Opportunity to Cure.** KCATA in its sole discretion may, in the case of a termination for breach or default, allow the Contractor an appropriately short period of time in which to cure the defect. In such case, the written notice of termination will state the time period in which cure is permitted and other appropriate conditions. If Contractor fails to remedy to KCATA's satisfaction the breach or default of any of the terms, covenants, or conditions of this Contract within the time period permitted, KCATA shall have the right to terminate the Contract without any further obligation to Contractor. Any such termination for default shall not in any way operate to preclude KCATA from also pursuing all available remedies legal and non-legal against Contractor and its sureties for said breach or default.
- E. **Waiver of Remedies for any Breach.** In the event that KCATA elects to waive its remedies for any breach by Contractor of any covenant, term or condition of this Agreement, such waiver by KCATA shall not limit KCATA's remedies for any succeeding breach of that or of any other term, covenant, or condition of this Agreement.

#### 35. UNAVOIDABLE DELAYS

- A. A delay is unavoidable only if the delay was not reasonably expected to occur in connection with or during the Contractor's performance, and was not caused directly or substantially by acts, omissions, negligence, or mistakes of the Contractor, the Contractor's suppliers, or their agents, and was substantial and in fact caused the Contractor to miss delivery dates and could not adequately have been guarded against by contractual or legal means.
- B. **Notification of Delays.** The Contractor shall notify the Director of Procurement as soon as the Contractor has, or should have, knowledge that an event has occurred which will cause an unavoidable delay. Within five (5) days, the Contractor shall confirm such notice in writing, furnishing as much as detail as is available.

The Director of Procurement shall notify the Contractor of its decision in writing.
- D. It is expressly understood and agreed that the Contractor shall not be entitled to damages or compensation and shall not be reimbursed for losses on account of delays resulting from any cause under this provision, except to the extent the Contractor's delay was attributable to KCATA's non-performance of its duties herein.

#### 36. FTA REQUIRED CLAUSES

- A. **Changes to Federal Requirements.** Contractor shall at all times be aware and comply with all applicable Federal Transit Administration regulations, policies, procedures, and directives, including without limitation, those listed directly or by reference in the Agreement between the Authority and FTA (FTA MA (28) dated February 9, 2021), as they may be amended or promulgated from time to time during the term of this Contract. Contractors' failure to so comply shall constitute a material breach of this Contract. Contractor agrees to include this clause in all subcontracts at any tier. - B. **Debarment and Suspension Certification.**
  - A. The Contractor shall comply and facilitate compliance with U.S. DOT regulations "Nonprocurement Suspension and Debarment," 2 C.F.R.   - b. Create a level playing field on which DBE's can compete fairly for DOT-assisted contracts;
  - c. Ensure that the DBE program is narrowly tailored in accordance with applicable law;
  - d. Ensure that only firms that fully meet 49 CFR Part 26 eligibility are permitted to participate as DBE's;
  - e. Help remove barriers to the participation of DBE's in DOT assisted contracts;

The national goal for participation of Disadvantaged Business Enterprises (DBE's) is 10 percent. *KCATA's overall goal for DBE participation is 23.3% percent. **There is no contract goal established for this procurement.***
3. The Contractor shall not discriminate on the basis of race, color national origin, or sex in the performance of this Contract. The Contractor shall carry out applicable requirements of 49 CFR. Part 26 in the award and administration of this DOT-assisted contract. Failure by the Contractor to carry out these requirements is a material breach of this Contract, which may result in the termination of this Contract or such other remedy as KCATA deems appropriate. Each subcontract the Contractor signs with a subcontractor must include the assurance in this paragraph (see 49 C.F.R. 26.13(b)).
4. The Contractor may not substitute, remove, or terminate a DBE subcontractor without KCATA's prior written consent. Written consent of termination may only be given if the Contractor has demonstrated good cause. Before submitting its request to terminate or substitute a DBE subcontractor, the Prime Contractor must give notice in writing to the DBE subcontractor, with a copy to KCATA, of its intent to request to terminate and/or substitute, and the reason for the request. The Contractor must give the DBE five days to respond to the Contractor's notice and advise KCATA and the Contractor of the reasons, if any, why it objects to the proposed termination of its subcontract and why KCATA should not approve the Contractor's action. If required in a particular case as a matter of public necessity (e.g., safety), the response period may be shortened.
  - a. Good Cause. Good cause includes the following circumstances:
    - 1) The listed DBE subcontractor fails or refuses to execute a written contract; or
    - 2) The listed DBE subcontractor fails or refuses to perform the work to its normal industry standards. Provided, however, that the good cause does not exist if the failure or refusal of the DBE subcontractor to perform its work on the subcontract results from the bad

faith or discriminatory action of the Prime Contractor; or

1. The listed DBE subcontractor fails or refuses to meet the Prime Contractor's reasonable, nondiscriminatory bond requirements; or
2. The listed DBE subcontractor becomes bankrupt, insolvent, or exhibits credit unworthiness; or
3. The listed DBE subcontractor is ineligible to work on public works projects because of suspension and debarment proceedings pursuant to 2 CFR Parts 180, 215 and 1200 or applicable state law; or
4. The DBE subcontractor is not a responsible contractor; or
5. The listed DBE subcontractor voluntarily withdraws from the project and provides the Prime Contractor written notice of its withdrawal;
6. The listed DBE is ineligible to receive DBE credit for the type of work required;
7. A DBE owner dies or becomes disabled with the result that the listed DBE contractor is unable to complete its work on the contract;
8. Other documented good cause that compels KCATA to terminate the DBE subcontractor. Provided the good cause does not exist if the Prime contractor seeks to terminate a DBE it relied upon to obtain the contract so that the Prime Contractor can self-perform the work for which the DBE contractor was engaged or so that the Prime Contractor can substitute another DBE or non-DBE contractor.

- b. Before submitting its request to terminate or substitute a DBE subcontractor, the Prime Contractor must give notice in writing to the DBE subcontractor, with a copy to KCATA, of its intent to request to terminate and/or substitute, and the reason for the request. The Prime Contractor must give the DBE five days to respond to the Prime Contractor's notice and advise the KCATA and the Contractor of the reasons, if any, why it objects to the proposed termination of its subcontract and why KCATA should not approve the Prime Contractor's action. If required in a particular case as a matter of public necessity (e.g., safety), the response period may be shortened.

D. **Disclaimer of Federal Government Obligation or Liability.** The Contractor, and any subcontractors acknowledge and agree that, notwithstanding any concurrence by the Federal Government in or approval of the solicitation or award of this contract, absent the express written consent by the Federal Government, the Federal Government is not a party to this contract and shall not be subject to any obligations or liabilities to the Contractor, or any other party (whether or not a party to this Contract) pertaining to any matter resulting from this Contract. It is further agreed that the clause shall be included in each subcontract and shall not be modified, except to identify the subcontractor who will be subject to its provision.

E. **Environmental Regulations.**

1. Clean Air. The Contractor agrees to comply with all applicable standards, orders, or regulations issued pursuant to the Clean Air Act, as amended, 42 U.S.C. §7401-7671q *et seq.* The Contractor agrees to report, and to require each subcontractor at every tier receiving more than \$100,000 from this Contract to report any violation of these requirements resulting from any project implementation activity to KCATA. In addition to other penalties that may be applicable, the Contractor further acknowledges that if it makes a false, fictitious, or fraudulent claim, statement, submission, or certification, the Federal Government reserves the right to impose the penalties of the Program Fraud Civil Remedies Act of 1986 on the Contractor to the extent the Federal Government deems appropriate.
- B. The Contractor also acknowledges that if it makes, or causes to be made, a false, fictitious, or fraudulent claim, statement, submission, or certification to the Federal Government in connection with this Contract, the Government reserves the right to impose on the Contractor the penalties of 18 U.S.C. § 1001 and 49 U.S.C. § 5307(n)(1), to the extent the Federal Government deems appropriate.
- C. The Contractor agrees to include these clauses in each subcontract, and it is further agreed that the clauses shall not be modified, except to identify the subcontractor who will be subject to the provisions.

- H. Incorporation of Federal Transit Administration Terms.** The provisions in this Contract include certain standard terms and conditions required by the U.S. Department of Transportation (DOT), whether or not expressly set forth. 2. The Contractor agrees to include these requirements in all subcontracts at all tiers exceeding \$100,000 and to obtain the same certification and disclosure from all subcontractors (at all tiers).

## J. **Patents, Rights in Data and Copyrights**

### 1. Rights in Data.

- a. The term "subject data" used in this clause means recorded information, whether or not copyrighted, that is delivered or specified to be delivered under the Contract. The term includes graphic or pictorial delineation in media such as drawings or photographs; text in specifications or related performance or design-type documents; machine forms such as punched cards, magnetic tape, or computer memory printouts, and information retained in computer memory. The term "subject data" does not include financial reports, cost analyses, and similar information incidental to contract administration.
- b. The following restrictions apply to all subject data first produced in the performance of the Contract:
  - 1) Except for its own internal use, Contractor may not publish or reproduce subject data in whole or in part or in any manner or form, nor may Contractor authorize others to do so, without the written consent of KCATA, until such time as KCATA may have either released or approved the release of such data to the public.
  - 2) In accordance with 2 C.F.R. part 200, Appendix II (F) and 37 C.F.R. part 401, the Federal Government reserves a royalty-free, non-exclusive, and irrevocable license to reproduce, publish, or otherwise use, and to authorize others to use, the following subject data for "Federal Government purposes":
    - (a) Any subject data developed under the Contract, whether or not a copyright has been obtained; and
    - (b) Any rights of copyright purchased by KCATA or Contractor using Federal assistance in whole or in part provided by FTA.
  - 3) "For Federal Government Purposes" means use only for the direct purpose of the Federal Government. Without the copyright owner's consent, the Federal Government may not extend its Federal license to any other party. When FTA awards Federal assistance for experimental, developmental, or research work, it is FTA's general intention to increase transportation knowledge available to the public, rather than to restrict the benefits resulting from the work to participants in that work. Therefore, unless FTA determines otherwise, Contractor performing experimental, developmental, or research work, agrees to permit FTA to make available to the public, either FTA's license in the copyright to any subject data developed in the course of the Contract, or a copy of the subject data first produced under the Contract for which a copyright has not been obtained. If the experimental, developmental, or research work, which is the subject of the underlying Contract, is not completed for any reason whatsoever, all data developed under this Contract shall become subject data as defined previously and shall be delivered as the Federal Government may direct. This subsection, however, does not apply to adaptations of automatic data processing equipment or programs for the KCATA or Contractor's use whose costs are financed in whole or part with Federal assistance provided by FTA for transportation capital projects.

- 4) Unless prohibited by state law, Contractor agrees to indemnify, save, and hold harmless KCATA and the Federal Government, its officers, agents, and employees acting within the scope of their official duties against any liability, including costs and expenses, resulting from any willful or intentional violation by the Contractor of proprietary rights, copyrights, or rights of privacy, arising out of the publication, translation, reproduction, delivery, use or disposition of any data furnished under this Contract. The Contractor shall not be required to indemnify the Federal Government for any such liability arising out of the wrongful act of any employee, official, or agents of the Federal Government.
- 5) Nothing contained in this clause on rights in data shall imply a license to the KCATA or to the Federal Government under any patent or be construed as affecting the scope of any license or other right otherwise granted to KCATA or to the Federal Government under any patent.
- 6) Data developed by the KCATA or Contractor and financed entirely without using Federal assistance provided by the Federal Government that has been incorporated into work required by this Contract to which this clause has been added is exempt from the requirements of subsections (b), (c), and (d) of this clause, provided that the KCATA or Contractor identifies that data in writing at the time of delivery of the contract work.
- 7) Contractor agrees to include these requirements in each subcontract for experimental, developmental, or research work funded in whole or in part with federal assistance.

2. Patent Rights. If any invention, improvement, or discovery of the Contractors is conceived or first actually reduced to practice in the course of work under this Contract, and that invention, improvement, or discovery is patentable under the laws of the United States of America or any foreign country, the Contractor agrees to notify KCATA immediately and provide a detailed report, who in turn shall ultimately notify the FTA. Unless the Federal Government later makes a contrary determination in writing, the KCATA and Contractor agree to take the necessary actions to provide, through FTA, those rights in that invention due the Federal Government as described in U.S. Department of Commerce regulations, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," 37 CFR Part 401 and 35 U.S.C 2000 *et seq.*

K. **Prohibition of Certain Telecommunications and Video Surveillance Equipment.** Contractor represents that it is and will be compliant at all times with 2 CFR § 200.216 and will not provide telecommunications and/or video surveillance services or equipment to the KCATA in the performance of any contract, subcontract or other contractual instrument resulting from a solicitation or RFP that have been manufactured by a supplier (including any subsidiary or affiliate of those entities) that is considered prohibited or not approved under this regulation. This statute is not limited to entities that use end-products produced by those companies; and also covers the use of any equipment, system, or services that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system.

**KCATA'S TRAVEL POLICY FOR CONTRACTORS**

Contractors will be reimbursed for authorized and documented expenses incurred while conducting KCATA business. Expenses for a traveler's companion are not eligible for reimbursement. Contractors are expected to make prudent business decisions and comparison shop for airfares, rental cars, lodging, etc., and to keep in mind that they are being reimbursed with public monies.

Receipts, paid bills, or other documentary evidence for expenditures must be submitted with requests for reimbursement. The request for reimbursement must clearly indicate the amount, date, place, and essential character of the expenditures.

The KCATA reserves the right to modify this travel policy with proper notification to Contractors.

1. **Airfare:** Commercial airline, coach class seating only. When possible, trips should be planned far enough in advance to assure purchase discounts.
2. **Lodging:** The KCATA has negotiated special rates at specific hotels. Contractors may stay at the hotel of their choice but will be reimbursed no more than a maximum daily amount of \$160.00 plus tax unless the contractor obtains prior written authorization from KCATA.
3. **Meals:** The **actual costs** of meals, including tips of generally 15-17%, will be reimbursed at the current General Services Administration's (GSA) per diem rates (aka "Conus Rates") for that location. Alcoholic beverages are **not** an eligible reimbursable expense.
4. **Auto Rental:** Rental or leased vehicles will not be reimbursed unless pre-approved in writing by KCATA in advance. The class of auto selected, if authorized, should be the lowest class appropriate for the intended use and number of occupants.
5. **Telephone:** Project-related, long-distance business calls will be reimbursed.
6. **Number of Trips to Travel Home on Weekends:** When extended stays in Kansas City are required, the KCATA will reimburse for trips home on weekends only every third weekend. In some instances, KCATA may require relocation of an employee to Kansas City.
7. **Taxis, Airport Shuttles, Public Transportation:** Transportation between the airport and hotel will be reimbursed. Contractors should consider the number in their party and compare taxi rates to airport shuttle fees when the shuttle serves the hotel.
8. **Personal Vehicle:** Mileage for usage of personal vehicles for business travel outside the seven-county Kansas City metropolitan area (Clay, Cass, Jackson, and Platte Counties in Missouri; Johnson, Wyandotte, and Douglas counties in Kansas) will be reimbursed at the current rate established by the Internal Revenue Service.
