D. Technical Specifications.

1. Category 1: Armored Courier Services for KCATA Farebox Cash

- a. Two (2) cash vaults are to be picked up daily, Monday through Saturday, by an armored vehicle at KCATA's complex located at 1350 East 17th Street, Kansas City, MO 64108. The scheduled pick up time is between 5:45 a.m. and 6:15 a.m., Monday through Friday and between 7:00 a.m. and 8:00 a.m. on Saturday, however these times may be negotiable based upon available windows of inactivity as designated by the KCATA.
- b. Kansas City Area Transportation Authority farebox revenue is deposited in locked compartmentalized cash vaults. Movement of the vault requires a forklift. Each vault has an empty weight of 800 lbs. and averages 2,500 lbs. with farebox revenue. The size of the vault used for storage is 36" x 36" x 30". The KCATA will provide a forklift and operator to load and unload the vaults onto the contractor's vehicle at the KCATA facility. The vendor must provide vehicles capable of transporting cash vaults of this size and weight.
- c. The cash vaults are to be delivered immediately to Commerce Bank, which is the KCATA approved cash counting facility that the contractor will use to count delivered currency. The cash counting facility will be equipped with and/or provide a forklift to unload the vaults. The cash picked up on the Monday through Friday run will be counted daily and deposited the next banking day. The cash picked up on the Saturday run will be counted on the next business day and deposited the following banking business day. The contractor is required to provide an electronic copy of the deposit ticket for each banking day to KCATA's Finance Department on the day of the deposit. Each daily currency and each daily coin pickup shall be deposited separately with the corresponding day and date of the pickup noted on the deposit ticket(s).
- d. Two (2) empty vaults will be available for pickup at the cash counting facility prior to delivery of the

full vaults each morning. These empty vaults must be inspected to confirm the vault doors are secure, and then delivered by the contractor to KCATA each morning when the vendor picks up the full vaults.

- e. There may be three (3) vaults for pick-up on the day following a holiday that falls on a Friday or Monday. If this occurs, one of the three (3) vaults must be emptied and returned to the KCATA on the day following the holiday.
- f. No pickups will be made on the following holidays: New Year's Day, Martin Luther King's Day, President's Day, Memorial Day, Independence Day (July 4th), Labor Day, Veteran's Day, Thanksgiving Day, and Christmas Day.
- g. The KCATA reserves the right to inspect the vehicle(s) that will be used for transporting the cash vaults prior to selecting a contractor and awarding a contract.
- h. The armored vehicle drivers will have no vault keys that allow access to KCATA monies.
- i. The average amount of cash in each vault is approximately \$18,000. This amount will change as the KCATA ridership fluctuates, as fares are increased, or depending on various factors including the day of the week, time of the month, etc.
- j. All labor, supervision, materials, supplies, armored cars and equipment, unless otherwise noted in this Invitation for Bid, are the responsibility of the contractor.
- k. Potential contractors may observe one of the 5:45am to 6:15am pickups by requesting to do so in writing, on company letterhead. The request should be addressed to Tamie McGranahan and sent to tmcgranahan@kcata.org:

Tamie McGranahan, Buyer
Kansas City Area Transportation Authority
1350 East 17th Street
Kanas City, MO 64108

Proper identification, including picture I.D., will be requested from those making the observation.

- l. Unforeseeable delays may occur due to traffic, vehicle breakdowns, and weather conditions or for other reasons. Contractors must have standard procedures in place for notifying clients of issues, alternative solutions including rerouting other drivers, sending alternate vehicles or rescheduling pickups and/or other potential remedies that may be enacted.
- m. Delays in pick up times for the cash vaults could potentially affect the timing of KCATA deposits, resulting in loss of interest income, while creating time constraints for the KCATA employees involved. As an assurance that the vendor will provide services as scheduled without delays, the following penalties will be assessed against the contractor if the armored service vehicle "arrival" time differs from the times specified for KCATA Farebox Cash pickup in the aforementioned specifications. Also note that all occurrences, including those involving cash penalties, will be documented and notification will be provided to the contractor.

Occurrence Within 30 Calendar Days	1 to 15 minutes	16 to 30 minutes	31 to 60 minutes	Greater than 60 minutes or Missed Pickup
First	Written Notification	Written Notification	\$10	\$25
Second	Written Notification	\$10	\$25	\$50
Third	\$10	\$25	\$50	\$75
Fourth	\$25	\$50	\$75	\$100 and Review of Contract
Fifth or Greater	\$50	\$75	\$100	\$150 and Review of Contract

- n. Delays in timing of KCATA cash vault deposits may result in loss of interest income while creating time constraints for the KCATA employees involved. Therefore, as an assurance the vendor will provide services as scheduled without delays, the following penalties will be assessed against the contractor if the deposits are not made in accordance with item B.1.c. Also note that all occurrences, including those involving cash penalties, will be documented and notification will be provided to the contractor.

First	Written Notification
Second	Written Notification
Third	\$10 penalty (in addition to any liability incurred)

The Bidder shall carry out applicable requirements of 49 CFR Part 26 in the award and administration of DOT-assisted contracts. Failure by the Contractor to carry out these requirements is a material breach of the Contract, which may result in the termination of the Contract or such other remedy as KCATA deems appropriate. Each subcontract the Contractor signs with a subcontractor must include the assurance in this paragraph. See 49 CFR 26.13(b).

K. Required Documents.

1. Incomplete Bids. All documents that are required to be submitted with this Bid are listed in Attachment B. The bidder shall read all forms carefully before signing. Incomplete bid documents may render the bid non-responsive.
2. Bid Response/Pricing Pages.
 - a. Bids shall be firm and final.
 - b. Bidders shall be responsible for furnishing and delivering new and complete materials and/or services to include the installation, assembly, accessories, personnel, training, warranty, and guarantee as specified to make this procurement complete.

 - d. The quantities specified for purchase by KCATA are based upon the best available estimates, taking into consideration the consumption during the past periods, and do not determine the actual amount the Authority may order during the contract period. The quantities are subject to change. Payment will be based on actual order quantities based on the unit rates quoted.
 - e. It is the intention of the specifications to provide complete and accurate descriptions for materials and/or services required by the KCATA. Any materials or services omitted from the specifications that are clearly necessary for the completion of this bid, although not directly specified or called for in the specifications, shall be considered a portion of the bid. Bidder shall indicate the additional material and services it has determined to be required for this procurement.
 - f. Bids shall indicate the unit price, extended to reflect the total bid. Any difference between the unit price correctly extended and the total price shall be resolved in favor of the unit price, except where the bidder clearly indicates that the total price is based on consideration of being awarded all items of the bid.
 - g. Bid shall be net and shall reflect any available discount. Separate discount for timely payment shall not be given consideration in evaluating bids, except in the case of bids that end in a tie.
 - h. Tax Exempt Status. The KCATA is exempt from payment of federal, state and local sales taxes, and such taxes shall not be included in the bid price. Nevertheless, the bidder is not exempt from these taxes when purchasing materials directly from its supplier.
2. Schedule of Participation by Contractor and Subcontractors. Bidders should list all subcontractors and

 - c. The following forms are required and must be provided at the time of registration. Failure to provide these forms will delay the approval process.
 - 1) Vendor Registration Questionnaire. The fillable form is provided in the online system.
 - 2) KCATA Affidavit of Civil Rights Compliance. Contractors and subcontractors agree to comply with Federal Transit Law, specifically 49 U.S.C. 5332 which prohibits discrimination, including discrimination in employment and discrimination in business opportunity.  - b. All bidders requesting to become certified Disadvantaged Business Enterprises with the KCATA must complete the proper paperwork and certifications.
 - c. For information and the necessary forms for the certification process, please contact Mr. Whitney Morgan, KCATA's Grants/DBE Specialist at (816) 346-0277.
10. Receipt of Addenda. In the event that Addenda are issued against this Invitation to Bid, bidders will be issued a Receipt of Addenda Form to complete and return with the Invitation to Bid, acknowledging receipt of all addenda issued. This is to safeguard KCATA and the bidder against failure to communicate any important information and changes to the scope of the procurement.
11. Other Documents. Bidders shall submit any other documents necessary to complete this bid. This may include a copy of the warranty offered, technical information, or product brochures.

L. Documents Due After Award.

- 1. KCATA reserves the right to review the Contractor's written agreement with its subcontractors (DBE and non-DBE) to confirm that required federal contract clauses are included. KCATA may perform random audits and contact minority subcontractors to confirm the reported participation.
- 2. Subcontractor Monthly Utilization Report. Contractors will be required to submit this report with each request for payment to KCATA. This report will include payments to ALL subcontractors – DBE and non-DBE. KCATA may require lien waivers from all subcontractors before reimbursement is made to the Contractor. KCATA may perform random audits and contact minority subcontractors to confirm the reported participation. Failure to meet the contracted goal without documented evidence of good faith effort may result in the termination of the contract.

3. Request for Modification, Replacement or Termination of Disadvantaged Business Enterprise (DBE) Project Participation. Contractor is responsible for meeting or exceeding the DBE commitment amounts listed on the *Schedule of Participation by Contractor and Subcontractors form* submitted as part of Contractor's Bid Documents and as amended by any previously approved Request for Modification/Substitution. Any Change Orders or amendment modifying the amount Contractor is to be compensated will impact the amount of compensation due to DBEs for purposes of meeting or exceeding the Bidder/Proposer commitment. Contractor shall consider the effect of a Change Order or amendment and submit a Request for Modification/Substitution if the DBE commitment changes.
- a. **Termination Only for Cause** - Prior to an award of a negotiated procurement and once a contract has been awarded; Contractor may not substitute or terminate a DBE subcontractor without KCATA's prior written consent. This includes, but is not limited to, instances in which a Contractor seeks to perform work originally designated for a DBE subcontractor with its own forces or those of an affiliate, a non-DBE firm, or with another DBE firm.
 - b. Written consent of termination may be given if the Contractor has demonstrated good cause. Good cause includes the following circumstances.
 - 1) The listed DBE subcontractor fails or refuses to execute a written contract; or
 - 2) The listed DBE subcontractor fails or refuses to perform the work of its subcontract in a way consistent with normal industry standards. Provided, however, that the good cause does not exist if the failure or refusal of the DBE subcontractor to perform its work on the subcontract results from the bad faith or discriminatory action of the Prime Contractor; or
 - 3) The listed DBE subcontractor fails or refuses to meet the Prime Contractor's reasonable, nondiscriminatory bond requirements; or
 - 4) The listed DBE subcontractor becomes bankrupt, insolvent, or exhibits credit unworthiness; or
 - 5) The listed DBE subcontractor is ineligible to work on public works projects because of suspension and debarment proceedings pursuant to 2 CFR Parts 180, 215 and 1200 or applicable state law; or
 - 6) The DBE subcontractor is not a responsible contractor; or
 - 7) The listed DBE subcontractor voluntarily withdraws from the project and provides the Prime Contractor written notice of its withdrawal;
 - 8) The listed DBE is ineligible to receive DBE credit for the type of work required;
 - 9) A DBE owner dies or becomes disabled with the result that the listed DBE contractor is unable to complete its work on the contract;
 - 10) Other documented good cause that compels KCATA to terminate the DBE subcontractor. Provided the good cause does not exist if the Prime contractor seeks to terminate a DBE it relied upon to obtain the contract so that the Prime Contractor can self-perform the work for which the DBE contractor was engaged or so that the Prime Contractor can substitute another DBE or non-DBE contractor.
 - a) Before submitting its request to terminate or substitute a DBE subcontractor, the Prime Contractor must give notice in writing to the DBE subcontractor, with a copy to KCATA, of its intent to request to terminate and/or substitute, and the reason for the request.

- b) The Prime Contractor must give the DBE five days to respond to the Prime Contractor's notice and advise KCATA and the Contractor of the reasons, if any, why it objects to the proposed termination of its subcontract and why KCATA should not approve the Prime Contractor's action. If required in a particular case as a matter of public necessity (e.g., safety), the response period may be shortened.
- c) For questions concerning KCATA's DBE Program requirements, please contact Mr. Whitney Morgan, KCATA's DBE Liaison Officer, at (816) 346-0277 or via email at wmorgan@kcata.org.

SECTION 4
BID EVALUATION, ACCEPTANCE AND AWARD

A. Bid Evaluation

1. It is the intent of the KCATA to award a contract to the responsive and responsible bidder whose bid conforming to this IFB, is the lowest in price and, in KCATA's sole discretion, the most advantageous to the KCATA. Factors such as discounts, transportation costs and life cycle costs will be considered in determining which bid is lowest in price.
2. A responsible bidder possesses the ability to perform successfully under the terms and conditions of the proposed contract considering matters including Contractor integrity, record of past performance, and financial and technical resources.
3. The low bidder will be required to demonstrate its ability to provide the times and/or perform services contained in the solicitation, in a timely manner, to the complete satisfaction of the Authority. Doubt as to technical ability, productive capability, and financial strength which cannot be resolved affirmatively may result in a determination of non-responsibility by KCATA.
4. If the low bidder is eliminated, then the second lowest bidder will be required to demonstrate its ability to perform services as described herein. This process will continue to the next lowest bidder until a bidder successfully meets the specification requirements.
5. KCATA reserves the right to investigate the qualifications of all bidders under consideration to confirm any part of the information furnished by a bidder, or to require other evidence of managerial, financial or other capabilities which are considered necessary for the successful performance of the contract.

B. Bid Acceptance. Each bid is to be submitted with the understanding that the acceptance in writing by the KCATA of the bid to furnish the materials and services, or any part thereof, described therein shall constitute a contract between the bidder and the KCATA which shall bind the bidder on its part to furnish and deliver at the price given and in accordance with the terms and conditions of said accepted bid and KCATA's contract included as Attachment A.

C. Unbalanced Bid. The Authority may determine that a bid is non-responsive if the prices proposed are materially unbalanced. A bid is materially unbalanced when it is based on prices significantly less than cost or prices significantly overstated relative to cost.

D. Bid Award.

1. The procurement shall be awarded on the basis of the lowest responsive bidder complying with all the conditions of the bids, specifications, and instruction. The KCATA reserves the right to award any or all items of the bid or not to award at all.
2. In the case of multiple line items, the KCATA reserves the right to award the entire bid to one bidder, or to split the award of the items to multiple bidders.
3. If awarded at all, the bid may be awarded to the bidder whose total price is lowest, whose bid is responsive to the invitation thereof, and who is determined to be technically and financially responsible to perform as required. The KCATA reserves the right to accept another bid, if it is in the best interest of the Authority. **Conditional bids and any bid taking exception to these instructions or conditions, to the contract conditions or specifications, or to other contract requirements shall be considered non-responsive and shall be rejected.**

E. Purchase Order and/or Contract.

1. Upon acceptance and award of a bid by KCATA, a purchase order or contract shall be issued thereon and shall constitute a contract for furnishing the items described in the bid in strict conformity with the specifications and bid conditions.
2. The purchase order or contract shall be considered as made in Kansas City, Missouri, and the construction and enforcement of it shall be in accordance with the laws of the State of Missouri except those pertaining to conflicts of law.

F. Licenses and Permits.

1. The bidder shall, without additional expense to KCATA, be responsible for obtaining any necessary licenses and permits, and for complying with all federal, state, and municipal laws, codes, and regulations applicable to the providing of products, equipment or materials, or the performance of the work in this procurement.
2. The Contractor shall comply with all applicable and current rules, regulations and ordinances of any applicable federal, state, county or municipal governmental body or authority, including those as set forth by the Environmental Protection Agency (EPA), the Missouri Department of Natural Resources (MDNR), the Kansas Department of Health and Environment (KDHE), the FTA, the Department of Transportation (DOT), and the City of Kansas City, Missouri.

appropriate, including but not limited to withholding monthly progress payments and/or disqualifying the Contractor from future bidding as non-responsible.

8. CONFLICTS OF INTEREST (ORGANIZATIONAL)

In accordance with 2 C.F.R. § 200.112, the Contractor certifies that it has no other activities or relationships that would make the Contractor unable, or potentially unable, to render impartial assistance or advice to KCATA, or that would impair the Contractor's objectivity in performing work under this Contract, or that would result in an unfair competitive advantage to Contractor or to another third party performing the Project work.

9. CONTINUITY OF SERVICES

- A. The Contractor recognizes that the services under this Contract are vital to the KCATA and must be continued without interruption and that, upon contract expiration, a successor, either the KCATA or another contractor may continue them. 12. DISPUTE RESOLUTION

- A. Except as otherwise provided in this Contract, any dispute concerning a question of fact arising under this Contract which is not disposed of by agreement shall be decided by KCATA's Director of Procurement, who shall reduce the decision to writing and mail or otherwise furnish a copy to the Contractor. The decision of the Director of Procurement shall be final and conclusive unless within ten (10) days from the date of receipt of such copy the Contractor mails or otherwise furnishes a written appeal addressed to the Chief Financial Officer, with a copy to the Director of Procurement. The determination of such appeal by the Chief Financial Officer shall be final and conclusive unless determined by a court of competent jurisdiction to have been fraudulent or capricious, arbitrary, or not supported by substantial evidence. In connection with any appeal proceeding under this clause the Contractor shall be afforded an opportunity to be heard and to offer evidence in support of its appeal. Pending final decision of a

dispute hereunder, and unless otherwise directed in writing by KCATA, the Contractor shall proceed diligently with performance in accordance with the Director of Procurement's decision.

- B. The duties and obligations imposed by the Contract and the rights and remedies available hereunder shall be in addition to and not a limitation of any duties, obligations, rights and remedies otherwise imposed or available by law. No action or failure to act by the KCATA or Contractor shall constitute a waiver of any right or duty afforded any of them under the Contract, nor shall any such action or failure to act constitute an approval of or acquiescence in any breach thereunder, except as may be specifically agreed in writing.

13. EMPLOYEE ELIGIBILITY VERIFICATION
