This IFB does not commit the KCATA to award a contract or to pay any cost incurred in preparation of a submittal. Bidders shall read and understand the requirements of this Invitation for Bids covered in the sections listed under the Table of Contents of this document.

The KCATA reserves the right to accept or reject any or all bids received, to modify this request, or cancel in part or in its entirety the IFB if it is the best interest of the KCATA.

All contractual agreements are subject to final approval by the Kansas City Area Transportation Authority's Board of Commissioners. A five-year contract term with no options to renew is anticipated for award to the selected and approved Contractor.

I. WITHDRAWAL OF BIDS

1. Bids may be withdrawn upon written request received by the KCATA before the time fixed for closing. Withdrawal of a bid shall not prejudice the right of the bidder to submit a new bid, provided it is received in a timely manner as provided above. 2. No bids may be withdrawn for a period of ninety (120) days after the time set herein for the opening of bids.

 - b. printing each page of each such document in a different color paper other than the paper which the remainder of the bid is printed; and
 - c. segregating each page of each such document in a sealed envelope, which shall prominently display, on the outside, the words "Proprietary Information" in at least 16-point font, along with the name and address of the Bidder.
2. After either a contract is executed pursuant to the IFB, or all bids are rejected, the bids will be considered public records open for inspection. If access to documents marked "Proprietary Information," as provided above, is requested under the Missouri Open Records Law, the KCATA will notify the Bidder of the request and the Bidder shall have the burden to establish that such documents are exempt from disclosure under the Law. Notwithstanding the foregoing, in response to a formal request for information, the KCATA reserves the right to release any documents if the KCATA determines that such information is a public record pursuant to the Missouri Sunshine Law.

K. DISADVANTAGED BUSINESS ENTERPRISE (DBE) REQUIREMENTS

1. It is the policy of the KCATA and the United States Department of Transportation (USDOT) that Disadvantaged Business Enterprises (DBE's), as defined herein and in the Federal regulations

published in 49 CFR Part 26, shall have an equal opportunity to participate in DOT-assisted contracts. It is also the policy of the KCATA to:

- a. Ensure nondiscrimination in the award and administration of DOT-assisted contracts;
 - b. Create a level playing field on which DBE's can compete fairly for DOT-assisted contracts;
 - c. Ensure that the DBE program is narrowly tailored in accordance with applicable law;
 - d. Ensure that only firms that fully meet 49 CFR Part 26 eligibility standards are permitted to participate as DBE's;
 - e. Help remove barriers to the participation of DBE's in DOT-assisted contracts;
 - f. To promote the use of DBE's in all types of federally assisted contracts and procurement activities; and
 - g. Assist in the development of firms that can compete successfully in the marketplace outside the DBE program.
2. This project is subject to the requirements of Title 49, Code of Federal Regulations (CRF) Part 26, *Participation by Disadvantaged Business Enterprises in Department of Transportation Financial Assistance Programs*. Therefore, the Contractor must satisfy the requirements for DBE participation as set forth herein. These requirements are in addition to all other equal opportunity employment requirements of this Contract.
 3. The KCATA shall make all determinations with regard to whether or not a Bidder/Offeror is in compliance with the requirements stated herein. In determining compliance, KCATA may consider the Bidder/Offeror's bid submission package and the Bidder/Offeror's documented history of non-compliance with DBE requirements on previous contracts with the KCATA.
 4. Failure by the Contractor to carry out these requirements is a material breach of the resulting contract, which may result in the termination of the contract or such other remedy as KCATA deems appropriate.
 5. **For this project there has been no goal established for DBE participation.** DBE firms are encouraged to submit bids as Prime Contractors or Subcontractors. However, certified DBE, MBE, WBE and SBE firms are encouraged to submit bids as Prime Contractors or Subcontractors.
 6. **DBE Certification** – KCATA will only recognize firms that are certified as DBE's under the DOT guidelines found in 49 CFR, Part 26. DBE subcontractors must be certified as a DBE by the Kansas Department of Transportation (KDOT) or a member of the Missouri Regional Certification Committee, which includes KCMO, MoDOT, City of St. Louis, Metro in St. Louis or KCATA. A list of certified firms may be found at www.modot.org/mrcc-directory.
 7. **Non-Discrimination.** Bidders shall not discriminate on the basis of race, color, creed, sex, sexual orientation, gender identity, national origin, disability or age in the performance of this project. The Bidder shall carry out applicable requirements of 49 CFR Part 26 in the award and administration of DOT-assisted contracts. Failure by the Contractor to carry out these requirements is a material breach of the Contract, which may result in the termination of the

Contract or such other remedy as KCATA deems appropriate. Each subcontract the Contractor signs with a subcontractor must include the assurance in this paragraph. See 49 CFR 26.13(b).

8. DBE PARTICIPATION CREDIT

- a. DBE firms may participate as Prime Contractors, Subcontractors or Suppliers.
- b. The following shall be credited towards achieving DBE participation, except as provided herein:
 - 1) The total contract dollar amount that a qualified DBE Prime Contractor earns for its portion of work done on the contract that is done by its own workforce is performed in a category in which the DBE is currently certified and is a commercially useful function as defined by the Program.
 - 2) The total contract dollar amount that a Prime Contractor has paid or is obligated to pay to a subcontractor that is a qualified DBE; and
 - 3) Subcontractor participation with a lower tier DBE subcontractor; and
 - 4) Sixty percent (60%) of the total dollar amount paid or to be paid by a Prime Contractor to obtain supplies or goods from a supplier who is not a manufacturer and who is a qualified DBE. If the DBE is a manufacturer of the supplies, then one hundred percent (100%) may be credited, to be determined on a case-by-case basis.
- c. No credit, however, will be given for the following:
 - 1) Participation in a contract by a DBE that does not perform a commercially useful function as defined by the Program; and
 - 2) Any portion of the value of the contract that a DBE Subcontractor subcontracts back to the prime contractor or any other contractor who is not a qualified DBE; and
 - 3) Materials and supplies used on the contract unless the DBE is responsible for negotiating the price, determining quality and quantity, ordering the materials and installing (where applicable) and paying for material itself; and
 - 4) Work performed by a DBE in a scope of work other than that in which the DBE is currently certified.

L. REQUIRED DOCUMENTS

- 1. Incomplete Bids. All documents that are required to be submitted with this Bid are listed in Attachment B. The bidder shall read all forms carefully before signing. Incomplete bid documents may render the bid non-responsive.
- 2. Bid Response/Pricing Pages.
 - a. Bids shall be firm and final.

- b. Bidders shall be responsible for furnishing and delivering new and complete materials and/or services to include the installation, assembly, accessories, personnel, training, warranty, and guarantee as specified to make this procurement complete.
 - c. Bidders shall complete the Bid Response Form (Attachment G). The bid price shall include, as applicable, all items of labor, materials, tools, equipment, transportation, and other costs necessary to complete the manufacture, delivery, assembly, installation and drawings, if required, of the materials or services required in this procurement.
 - d. The quantities specified for purchase by KCATA are based upon the best available estimates, taking into consideration the consumption during the past periods, and do not determine the actual amount the Authority may order during the contract period. The quantities are subject to change. Payment will be based on actual order quantities based on the unit rates quoted.
 - e. It is the intention of the specifications to provide complete and accurate descriptions for materials and/or services required by the KCATA. Any materials or services omitted from the specifications that are clearly necessary for the completion of this bid, although not directly specified or called for in the specifications, shall be considered a portion of the bid. Bidder shall indicate the additional material and services it has determined to be required for this procurement.
 - f. Bids shall indicate the unit price, extended to reflect the total bid. Any difference between the unit price correctly extended and the total price shall be resolved in favor of the unit price, except where the bidder clearly indicates that the total price is based on consideration of being awarded all items of the bid.
 - g. Bid shall be net and shall reflect any available discount. Separate discount for timely payment shall not be given consideration in evaluating bids, except in the case of bids that end in a tie.
 - h. Tax Exempt Status. The KCATA is exempt from payment of federal, state and local sales taxes, and such taxes shall not be included in the bid price. Nevertheless, the bidder is not exempt from these taxes when purchasing materials directly from its supplier.
2. Schedule of Participation by Contractor and Subcontractors. Bidders should list all subcontractors and major suppliers (including DBEs) and the value of work committed to them. It is important to include the NAICs code appropriate for the type of work to be performed for each company listed.
 3. Contractor Utilization Plan/Request for Waiver. This form outlines Bidder's commitment to meeting the DBE goal. If the Bidder is unable to fulfill the DBE goal, the Request for Waiver must be completed, and Bidder must detail the good faith efforts used to achieve that commitment.
 4. Letter of Intent to Subcontract. If utilizing DBE firms, this form must be completed and signed by both the Bidder and its DBE subcontractors/major suppliers.
 5. References. Bidders shall complete the References Form (Attachment F) indicating up to four (4) firms that represent work similar to this procurement. Include the company name, address,

contact person, contact information, contract amount and length of contract.

6. Vendor Registration and Affirmative Action.

- a. All firms (prime contractors, subcontractors and suppliers) doing business with KCATA must complete a vendor registration process. KCATA uses a secure, online vendor management system (B2GNow). Confidential information (Tax ID number, etc.) will not be publicized. *Vendors that have previously registered with KCATA must now also complete the online process with updated information.* Vendors only have to go through this process once but will be required to update their certifications/affidavits on a regular basis.
- b. To begin, you must set up an account at <https://kcata.diversitycompliance.com> where you will be given a temporary password. You will receive a confirmation email and be directed to change your password. You may follow the instruction guide to complete the process. B2GNow also conducts webinars that provide guided training on navigating the system and its available features.
- c. The following forms are required and must be provided at the time of registration. Failure to provide these forms will delay the approval process.
 - 1) Vendor Registration Questionnaire. The fillable form is provided in the online system.

Contractor shall consider the effect of a Change Order or amendment and submit a Request for Modification/Substitution if the DBE commitment changes.
 - a. **Termination Only for Cause** - Prior to an award of a negotiated procurement and once a contract has been awarded; Contractor may not substitute or terminate a DBE subcontractor without KCATA’s prior written consent. Provided the good cause does not exist if the Prime contractor seeks to terminate a DBE it relied upon to obtain the contract so that the Prime Contractor can self-perform the work for which the DBE contractor was engaged or so that the Prime Contractor can substitute another DBE or non-DBE contractor.
 - a) Before submitting its request to terminate or substitute a DBE subcontractor, the Prime Contractor must give notice in writing to the DBE subcontractor, with a copy to KCATA, of its intent to request to terminate and/or substitute, and the reason for the request.
 - b) The Prime Contractor must give the DBE five days to respond to the Prime Contractor's notice and advise KCATA and the Contractor of the reasons, if any, why it objects to the proposed termination of its subcontract and why KCATA should not approve the Prime Contractor's action. If required in a particular case as a matter of public necessity (e.g., safety), the response period may be shortened.
 - c) For questions concerning KCATA's DBE Program requirements, please contact Mr. Whitney Morgan, KCATA's DBE Liaison Officer, at (816) 346-0277 or via email at wmorgan@kcata.org.

SECTION 4
BID EVALUATION, ACCEPTANCE AND AWARD

A. BID EVALUATION

1. It is the intent of the KCATA to award a contract to the responsive and responsible bidder whose bid conforming to this IFB, is the lowest in price and, in KCATA's sole discretion, the most advantageous to the KCATA. Factors such as discounts, transportation costs and life cycle costs will be considered in determining which bid is lowest in price.
2. A responsible bidder possesses the ability to perform successfully under the terms and conditions of the proposed contract considering matters including Contractor integrity, record of past performance, and financial and technical resources.
3. The low bidder will be required to demonstrate its ability to provide the times and/or perform services contained in the solicitation, in a timely manner, to the complete satisfaction of the Authority. Doubt as to technical ability, productive capability, and financial strength which cannot be resolved affirmatively may result in a determination of non-responsibility by KCATA.
4. If the low bidder is eliminated, then the second lowest bidder will be required to demonstrate its ability to perform services as described herein. This process will continue to the next lowest bidder until a bidder successfully meets the specification requirements.
5. KCATA reserves the right to investigate the qualifications of all bidders under consideration to confirm any part of the information furnished by a bidder, or to require other evidence of managerial, financial or other capabilities which are considered necessary for the successful performance of the contract.

B. BID ACCEPTANCE Each bid is to be submitted with the understanding that the acceptance in writing by the KCATA of the bid to furnish the materials and services, or any part thereof, described therein shall constitute a contract between the bidder and the KCATA which shall bind the bidder on its part to furnish and deliver at the price given and in accordance with the terms and conditions of said accepted bid and KCATA's contract included as Attachment A.

C. UNBALANCED BID The Authority may determine that a bid is non-responsive if the prices proposed are materially unbalanced. A bid is materially unbalanced when it is based on prices significantly less than cost or prices significantly overstated relative to cost.

D. BID AWARD

1. The procurement shall be awarded on the basis of the lowest responsive bidder complying with all the conditions of the bids, specifications, and instruction. The KCATA reserves the right to award any or all items of the bid or not to award at all.
2. In the case of multiple line items, the KCATA reserves the right to award the entire bid to one bidder, or to split the award of the items to multiple bidders.
3. If awarded at all, the bid may be awarded to the bidder whose total price is lowest, whose bid is responsive to the invitation thereof, and who is determined to be technically and financially

responsible to perform as required. The KCATA reserves the right to accept another bid, if it is in the best interest of the Authority. **Conditional bids and any bid taking exception to these instructions or conditions, to the contract conditions or specifications, or to other contract requirements shall be considered non-responsive and shall be rejected.**

E. PURCHASE ORDER AND /OR CONTRACT

1. Upon acceptance and award of a bid by KCATA, a purchase order or contract shall be issued thereon and shall constitute a contract for furnishing the items described in the bid in strict conformity with the specifications and bid conditions.
2. The purchase order or contract shall be considered as made in Kansas City, Missouri, and the construction and enforcement of it shall be in accordance with the laws of the State of Missouri except those pertaining to conflicts of law.

F. LICENSES AND PERMITS

1. The bidder shall, without additional expense to KCATA, be responsible for obtaining any necessary licenses and permits, and for complying with all federal, state, and municipal laws, codes, and regulations applicable to the providing of products, equipment or materials, or the performance of the work in this procurement.
