Bidders shall read and understand the requirements of this Invitation for Bids covered in the sections listed under the Table of Contents of this document.

The KCATA reserves the right to accept or reject any or all bids received, to modify this request, or cancel in part or in its entirety the IFB if it is the best interest of the KCATA.

All contractual agreements are subject to final approval by the Kansas City Area Transportation Authority's Board of Commissioners. A firm-fixed price contract term is anticipated for award to the selected and approved Contractor.

M. Documents Due After Award.

- 1. KCATA reserves the right to review the Contractor's written agreement with its subcontractors (DBE and non-DBE) to confirm that required federal contract clauses are included. KCATA may perform random audits and contact minority subcontractors to confirm the reported participation.
- 2. Subcontractor Monthly Utilization Report. Contractors will be required to submit this report with each request for payment to KCATA. This report will include payments to ALL subcontractors – DBE and non-DBE. KCATA may require lien waivers from all subcontractors before reimbursement is made to the Contractor. KCATA may perform random audits and contact minority subcontractors to confirm the reported participation. Failure to meet the contracted goal without documented evidence of good faith effort may result in the termination of the contract.
- 3. Request for Modification, Replacement or Termination of Disadvantaged Business Enterprise (DBE) Project Participation. Contractor is responsible for meeting or exceeding the DBE commitment amounts listed on the *Schedule of Participation by Contractor and Subcontractors form* submitted as part of Contractor's Bid Documents and as amended by any previously approved Request for Modification/Substitution.
 - a. Any Change Orders or amendment modifying the amount Contractor is to be compensated will impact the amount of compensation due to DBEs for purposes of meeting or exceeding the Bidder/Proposer commitment.
 - b. Contractor shall consider the effect of a Change Order or amendment and submit a Request for Modification/Substitution if the DBE commitment changes.
 - c. **Termination Only for Cause** - Prior to an award of a negotiated procurement and once a contract has been awarded; Contractor may not substitute or terminate a DBE subcontractor without KCATA's prior written consent. This includes, but is not limited to, instances in which a Contractor seeks to perform work originally designated for a DBE subcontractor with its own forces or those of an affiliate, a non-DBE firm, or with another DBE firm.
 - d. Written consent of termination may be given if the Contractor has demonstrated good cause. Good cause includes the following circumstances:
 - 1) The listed DBE subcontractor fails or refuses to execute a written contract; or
 - 2) The listed DBE subcontractor fails or refuses to perform the work of its subcontract in a way consistent with normal industry standards. Provided, however, that the good cause does not exist if the failure or refusal of the DBE subcontractor to perform its work on the subcontract results from the bad faith or discriminatory action of the Prime Contractor; or
 - 3) The listed DBE subcontractor fails or refuses to meet the Prime Contractor's reasonable, nondiscriminatory bond requirements; or

- 4) The listed DBE subcontractor becomes bankrupt, insolvent, or exhibits credit unworthiness; or
 - 5) The listed DBE subcontractor is ineligible to work on public works projects because of suspension and debarment proceedings pursuant to 2 CFR Parts 180, 215 and 1200 or applicable state law; or
 - 6) The DBE subcontractor is not a responsible contractor; or
 - 7) The listed DBE subcontractor voluntarily withdraws from the project and provides the Prime Contractor written notice of its withdrawal.
 - 8) The listed DBE is ineligible to receive DBE credit for the type of work required.
 - 9) A DBE owner dies or becomes disabled with the result that the listed DBE contractor is unable to complete its work on the contract.
 - 10) Other documented good cause that compels KCATA to terminate the DBE subcontractor. Provided the good cause does not exist if the Prime contractor seeks to terminate a DBE it relied upon to obtain the contract so that the Prime Contractor can self-perform the work for which the DBE contractor was engaged or so that the Prime Contractor can substitute another DBE or non-DBE contractor.
- e. Before submitting its request to terminate or substitute a DBE subcontractor, the Prime Contractor must give notice in writing to the DBE subcontractor, with a copy to KCATA, of its intent to request to terminate and/or substitute, and the reason for the request.
 - f. The Prime Contractor must give the DBE five days to respond to the Prime Contractor's notice and advise KCATA and the Contractor of the reasons, if any, why it objects to the proposed termination of its subcontract and why KCATA should not approve the Prime Contractor's action. If required in a particular case as a matter of public necessity (e.g., safety), the response period may be shortened.
 - g. For questions concerning KCATA's DBE Program requirements, please contact Mr. Whitney Morgan, KCATA's DBE Liaison Officer, at (816) 346-0277 or via email at wmorgan@kcata.org.
12. Receipt of Addenda. In the event that Addenda are issued against this Invitation to Bid, bidders will be issued a Receipt of Addenda Form to complete and return with the Invitation to Bid, acknowledging receipt of all addenda issued. This is to safeguard KCATA and the bidder against failure to communicate any important information and changes to the scope of the procurement.
 13. Other Documents. Bidders shall submit any other documents necessary to complete this bid. This may include a copy of the warranty offered, technical information, or product brochures.

N. Vendor Registration and Affirmative Action.

1. All firms (prime contractors, subcontractors, and suppliers) doing business with KCATA must complete a vendor registration process. KCATA uses a secure, online vendor management system (B2GNow). Confidential information (Tax ID number, etc.) will not be publicized. *Vendors that have previously registered with KCATA must now also complete the online process with updated information.* Vendors only have to go through this process once but will be required to update their certifications/affidavits on a regular basis.
2. To begin, you must set up an account at <https://kcata.diversitycompliance.com> where you will be given a temporary password. You will receive a confirmation email and be directed to change your password. You

may follow the instruction guide to complete the process. B2GNow also conducts webinars that provide guided training on navigating the system and its available features.

3. Vendors must complete the online Vendor Registration Questionnaire.
4. Optional Documents. Firms have the option to attach additional documents to the Questionnaire, including brochures, insurance certificates and bonds.
5. For questions on these requirements, or for assistance in completing the forms, please contact Maurice Gay, KCATA's Contract Vendor Specialist Coordinator at (816) 346-0366 or via email at mgay@kcata.org.

SECTION 4
BID EVALUATION, ACCEPTANCE AND AWARD

A. Bid Evaluation

1. It is the intent of the KCATA to award a contract to the responsive and responsible bidder whose bid conforming to this IFB, is the lowest in price and, in KCATA's sole discretion, the most advantageous to the KCATA. Factors such as discounts, transportation costs and life cycle costs will be considered in determining which bid is lowest in price.
2. A responsible bidder possesses the ability to perform successfully under the terms and conditions of the proposed contract considering matters including Contractor integrity, record of past performance, and financial and technical resources.
3. The low bidder will be required to demonstrate its ability to provide the times and/or perform services contained in the solicitation, in a timely manner, to the complete satisfaction of the Authority. Doubt as to technical ability, productive capability, and financial strength which cannot be resolved affirmatively may result in a determination of non-responsibility by KCATA.
4. If the low bidder is eliminated, then the second lowest bidder will be required to demonstrate its ability to perform services as described herein. This process will continue to the next lowest bidder until a bidder successfully meets the specification requirements.
5. KCATA reserves the right to investigate the qualifications of all bidders under consideration to confirm any part of the information furnished by a bidder, or to require other evidence of managerial, financial, or other capabilities which are considered necessary for the successful performance of the contract.

B. Bid Acceptance. Each bid is to be submitted with the understanding that the acceptance in writing by the KCATA of the bid to furnish the materials and services, or any part thereof, described therein shall constitute a contract between the bidder and the KCATA which shall bind the bidder on its part to furnish and deliver at the price given and in accordance with the terms and conditions of said accepted bid and KCATA's contract included as Attachment A.

C. Unbalanced Bid. The Authority may determine that a bid is non-responsive if the prices proposed are materially unbalanced. A bid is materially unbalanced when it is based on prices significantly less than cost or prices significantly overstated relative to cost.

D. Bid Award.

1. The procurement shall be awarded based on the lowest responsive bidder complying with all the conditions of the bids, specifications, and instruction. The KCATA reserves the right to award any or all items of the bid or not to award at all.
2. In the case of multiple line items, the KCATA reserves the right to award the entire bid to one bidder, or to split the award of the items to multiple bidders.
3. If awarded at all, the bid may be awarded to the bidder whose total price is lowest, whose bid is responsive to the invitation thereof, and who is determined to be technically and financially responsible to perform as required. **Conditional bids and any bid taking exception to these instructions or conditions, to the contract terms/conditions or specifications, or to other contract requirements shall be considered non-responsive and shall be rejected.**

E. Purchase Order and/or Contract.

1. Upon acceptance and award of a bid by KCATA, a purchase order or contract shall be issued thereon and shall constitute a contract for furnishing the items described in the bid in strict conformity with the specifications and bid conditions.
2. The purchase order or contract shall be considered as made in Kansas City, Missouri, and the construction and enforcement of it shall be in accordance with the laws of the State of Missouri except those pertaining to conflicts of law.

F. Licenses and Permits.

1. The bidder shall, without additional expense to KCATA, be responsible for obtaining any necessary licenses and permits, and for complying with all federal, state, and municipal laws, codes, and regulations applicable to the providing of products, equipment or materials, or the performance of the work in this procurement.
2. The Contractor shall comply with all applicable and current rules, regulations, and ordinances of any applicable federal, state, county or municipal governmental body or authority, including those as set forth by the Environmental Protection Agency (EPA), the Missouri Department of Natural Resources (MDNR), the Kansas Department of Health and Environment (KDHE), the FTA, the Department of Transportation (DOT), and the City of Kansas City, Missouri.
