## SECTION 2 SCOPE OF SERVICES

### 2.1 Background

- A. KCATA intends to continue offering its employees healthier food choices available within its facilities via fresh food micro market locations, vending machines and beverage coolers.
- B. KCATA employs approximately 600 people that work from its Central Services Complex located at 1350 East 17<sup>th</sup> Street in Kansas City, Missouri, 64108. Work is conducted around the clock – 24 hours per day, 365 days per year, with the majority of employee shifts during the day. However, transit operator shifts run from 4:00 a.m. through 9:00 p.m. Many of our employees are limited to 30–45-minute lunch breaks and vendors should understand that fulfillment and replenishment of food supplies must accommodate all shifts and offer availability of food items at all times.
- C. Employer location, few restaurant options that cater to abbreviated breaks and lunch shifts have created a “food desert” for KCATA employees. KCATA’s intent is to provide its employees with a variety of food items that taste good, are at a reasonable, marketplace competitive price and include healthy options.
- D. Currently, fresh food markets and vending machines are set up in three main buildings. Size and scale may vary, depending on available space and anticipated need. Guided tours of the current fresh food market and vending machine placements are available to those who make an appointment with KCATA for this purpose. The site tour is non-mandatory but encouraged.
- E. At present, the food and vending offerings on KCATA’s complex include:
- Two (2) Locations on 2<sup>nd</sup> Floor of Building 1 containing a fresh food market and vending machines
  - Two (2) Location on 1<sup>st</sup> Floor of Building 1 containing a fresh food market and vending machines
  - One (1) Location in the Facilities Area of Building 3 containing a fresh food market and vending machines
  - One (1) location Building 2 with vending machines only.

Proposers should illustrate by providing marketing materials, limited to five (5) pages, photographs or renderings that depict what is offered for layout, machine(s) sizes, fresh market coolers or applicable equipment, payment acceptance to include cards and cash. Energy efficient equipment is highly recommended and sought by KCATA.

### 2.2 Scope of Services

- A. KCATA is seeking proposals from firms that can provide fresh food markets and vending services for its employees to support healthy food and snack choices. Due to a lack of convenience stores and food establishments in the area of the work complex, the employee complex is much like a “food desert”. Many employees of KCATA wait for their next bus route assignment or work a lengthy shift, therefore, access to quality, healthy fresh food as well as snack options is vital in lieu of a full, balanced meal. KCATA seeks food, drink and snack offerings endorsed by the American Heart Association and/or National Alliance for Nutrition and Activity.
- B. Current services are provided at no cost to KCATA. Total sales are based on employees purchasing from the fresh food option market and/or vending set up. This information is a sampling of the sales of healthy foods versus unhealthy food options by KCATA employees and is provided only for reference and to demonstrate where the majority of the expenditure occurs by employees per location of vending machines or employee facing market set up. Re-Stocks usually happen three (3) times per week (Monday, Wednesday, Friday).

- Beverages
  - Bottled Water 20oz Bottle (Plain & Flavored)
  - Energy Drink (Celsius Beverages)
  - Unsweet Tea
- Snacks
  - Flavored Nuts: Peanuts/Almonds/Pistachios
  - Snack Bars: Protein/Granola Bars
  - Fruit Cups
- Prepared Snacks
  - Flavored Chicken Pasta (Bourbon, Spicy, Pesto)
  - Sandwich (Meat & Cheese)
  - Salad

C. Food and snack selections sought by KCATA include but may not be limited to these:

- Water
- Seltzer Water Flavored Unsweetened Water
- Unsweetened or Diet Iced Tea Diet Iced Tea
- Diet/Sugar Free Soda
- Diet/Sugar Free Sports Drinks
- Diet/Sugar Free Juice Drinks
- 100% Juice Diluted with Water
- Fruit Cups
- Fresh Fruits and Berries
- Hard Boiled Eggs
- Salads
- Dried Fruit
- Vegetables and Hummus
- Nuts
- Trail Mix
- Granola Bars
- Healthy Popcorn
- Whole-Grain Crackers
- Baked Whole-Grain Pita Chips
- Baked Chips
- Veggie Chips
- Cereal Bars
- Yogurt
- High Protein Snacks
- Low Sugar/Low Fat, High Protein Meal Replacement Bars

D. KCATA welcomes ideas and food options that will encourage the purchase of more healthy selections.

E. Proposers are encouraged to submit alternate proposals and pricing for programs/campaigns that will incentivize employees' healthy food choice and engagement. To better understand this alternative proposition to KCATA, with the assistance of a wellness-based fund, program and part time employee on site (**NOT an employee of the vending service**), KCATA provides subsidized payment to the current food vendor. The vendor is paid from funds generated to the wellness account when employees choose healthy food options. These options are labeled using color coding according to the ingredient and caloric content – easily identifiable for employees making food selections.

### **2.3 Price Structure**

- A. Proposers are asked to submit prices for the sampling of items listed on Price Proposal form (Attachment C). The prices shall include all costs associated with the provision of the services as described in Section 2, "Scope of Services". Prices stated shall be the prices that the purchaser and/or employee are expected to pay at point of sale.
- B. Prices must be fair and reasonable and should include all items of labor, materials, and other costs necessary to perform the contract.
- C. The awarded vendor may request a price adjustment no more than once annually during the term of the agreement; however, price increases are not automatic and shall be subject to review and approval by KCATA. Any requested increase must be submitted in writing at least thirty (30) days prior to the proposed effective date and must include line-item detail identifying the products affected, along with documentation demonstrating a corresponding increase in the Consumer Price Index (CPI) for food items in the Kansas City Metropolitan Area. Any approved adjustment shall not exceed the percentage change reflected in the applicable CPI index. NO PRICE INCREASE SHALL TAKE EFFECT without prior written approval from KCATA.

A link to the index that is current at the time of this solicitation has been provided below:

[Consumer Price Index, Midwest region — April 2026 : Mountain–Plains Information Office : U.S. Bureau of Labor Statistics](#)

- D. Proposers may submit price proposals for other food items and services proposed providing anticipated costs to KCATA to execute the services. Each additional page shall be labeled with the Proposer's Name and signed by the Authorized Representative.

### **2.4 Contract Term**

KCATA anticipates awarding a three-year base contract with two, one-year extension options.

### **2.5 Vendor Qualifications**

- A. Have business registration in the states of Missouri and Kansas
- B. Food preparers must have applicable health and safety permits or licenses as required by local ordinance.
- C. Businesses proposing for this RFP must be licensed in the City of Kansas City and Jackson County, Missouri.

### **2.6 Refunds**

- A. The contractor shall be responsible for refunds. A uniform system of refunding money acceptable to the state agency must be in operation at all times throughout the life of the contract (i.e., the contractor must provide a workable system for refunding money to individual customer who inserts money in a vending machine and receives no product in return or receives an expired product).
- B. The contractor must post basic instructions for refunds and reporting of malfunctions on each vending machine prior to installation of the vending machines

### 3.3 Reservations

- A. KCATA shall be the sole judge of what is in its best interest with respect to this RFP.
- B. KCATA reserves the right to make multiple awards if it is in the best interest of the Authority.

- C. KCATA also reserves the right to award a contract solely on the basis of the initial proposal without interviews or negotiations. Therefore, offers should be submitted to KCATA on the most favorable terms possible, from a technical standpoint.

### **3.4 Proposer's Responsibilities**

- A. By submitting a proposal, the Proposer represents that:
  - 1. The Proposer has read and understands the RFP and the proposal is made in accordance with the RFP requirements and instructions;
  - 2. The Proposer possesses the capabilities, resources, and personnel necessary to provide efficient and successful service to KCATA; and
  - 3. It is authorized to transact business in the States of Missouri and Kansas.
- B. Before submitting a proposal, the Proposer should make all investigations and examinations necessary to ascertain site or other conditions and requirements affecting the full performance of the contract.

### **3.5 Authorization to Propose**

If an individual doing business under a fictitious name makes the proposal, the proposal should so state. If the proposal is made by a partnership, the full names and addresses of all members of the partnership must be given and one principal member should sign the proposal. If a corporation makes the proposal, an authorized officer should sign the proposal in the corporate name. If the proposal is made by a joint venture, the full names and addresses of all members of the joint venture should be given and one authorized member should sign the proposal.

### **3.6 Withdrawal & Incomplete Proposals**

- A. Proposals may be withdrawn upon written request received by KCATA before proposal closes. Withdrawal of a proposal does not prejudice the right of the Proposer to submit a new proposal, provided the new proposal is received before the closing date.
- B. Incomplete proposals may render the proposal non-responsive.

### **3.7 Modification of Proposals**

Any proposal modifications or revisions received after the time specified for proposal closing may not be considered.

### **3.8 Unbalanced Proposals**

KCATA may determine that an offer is unacceptable if the prices proposed are materially unbalanced. An offer is materially unbalanced when it is based on prices significantly less than cost for some work and prices which are significantly overstated in relation to cost for other work.

### **3.9 Protests**

- A. The following protest procedures will be employed for this procurement. For the purposes of these procedures, "days" shall mean business days of KCATA administrative personnel which are days other than a Saturday, Sunday or legal holiday observed by KCATA for such administrative personnel.
  - 1. Pre-Submittal. A pre-submittal protest is received prior to the proposal due date. Pre-submittal protests must be received by the Authority, in writing and addressed to KCATA's Director of Procurement, no later than five (5) days before the bid closing date.

2. Post-Submittal/Pre-Award. A post-submittal/pre-award protest is a protest against making an award and is received after receipt of proposals but before award of a contract. Post-submittal protests must be received by the Authority, in writing and addressed to the KCATA's Director of Procurement, no later than five (5) days after the bid closing date.
  3. Post-Award. Post-Award protests must be received by the Authority, in writing and addressed to KCATA's Director of Procurement, no later than five (5) days after the date of the Notice of Intent to Award.
- B. KCATA's Director of Procurement shall respond in writing within five (5) days from the date of the written request. If the protester is not satisfied with the response of the Director of Procurement, the protester may appeal in writing to KCATA's Chief Financial Officer within five (5) days from the date of the Director of Procurement's response.
  - C. The Chief Financial Officer will decide if the protest and the appeal (if any) have been given fair and reasonable consideration, or if additional consideration is warranted. The Chief Financial Officer's response will be provided within ten (10) days after receipt of the request. The Chief Financial Officer's decision is final and no further action on the protest shall be taken by the KCATA.
  - D. By written notice to all parties, KCATA's Director of Procurement may extend the time provided for each step of the protest procedures, extend the date of notice of award, or postpone the award of a contract if deemed appropriate for protest resolution.
  - E. Protesters shall be aware of the Federal Transit Administration's (FTA) protest procedures with the FTA Regional Office (ref: FTA Circular 4220.1F). If federal funding is involved, FTA will review protests from a third party only when: 1) a grantee does not have a written protest procedure or fails to follow its procedure or fails to review a complaint or protest; or 2) violations of specific federal laws or regulations have occurred.
  - F. An appeal to FTA must be received by FTA's regional office within five (5) working days of the date the protester learned or should have learned of KCATA's decision. Protests shall be addressed to: Regional Administrator, FTA Region 7, 901 Locust, Room 404, Kansas City, Missouri, 64106.

### **3.10 Disclosure of Proprietary Information.**

- A. A proposer may restrict the disclosure of scientific and technological innovations in which it has a proprietary interest, or other information that is protected from public disclosure by law, which is contained in the proposal by:
  1. marking each page of each such document prominently in at least 16-point font with the words "Proprietary Information;"
  2. printing each page of each such document on a different color paper than the paper on which the remainder of the proposal is printed; and
  3. segregating each page of each such document in a sealed envelope, which shall prominently display, on the outside, the words "Proprietary Information" in at least 16-point font, along with the name and address of the Proposer.
- B. After either a contract is executed pursuant to this RFP, or all proposals are rejected, the proposals will be considered public records open for inspection. If access to documents marked "Proprietary Information," as provided above, is requested under the Missouri Sunshine Law, Section 610 of the Revised Statutes of Missouri, the KCATA will notify the Proposer of the request, and the Proposer shall have the burden to establish that such documents are exempt from disclosure under the law. Notwithstanding the foregoing, in response to a formal request for information, the KCATA reserves the right to release any documents if the KCATA determines that such information is a public record pursuant to the Missouri Sunshine Law.

### **3.11 Diverse Business Enterprise Requirements**

- A. It is KCATA's policy that Disadvantaged (DBE), Small (SBE), Minority (MBE), Woman (WBE), and Small Local (SLBE) Owned Business Enterprises have an equal opportunity to participate in the competitive solicitation process and contract awards, and diverse firms are encouraged to submit proposals as prime contractors, joint ventures, or subcontractors.
- B. KCATA's diversity programs are subject to the requirements of 49 CFR Part 26, and it is KCATA's policy to:
  - 1. Ensure nondiscrimination in the award and administration of contracts;
  - 2. Create a level playing field on which diverse firms can compete fairly for DOT-assisted contracts;
  - 3. Ensure that KCATA's diversity programs are narrowly tailored in accordance with applicable law;
  - 4. Ensure that only firms that fully meet 49 CFR Part 26 eligibility are permitted to participate in the programs;
  - 5. Help remove barriers to the participation of diverse firms in contracts;
  - 6. To promote the use of diverse firms in all types of contracts and procurement activities; and
  - 7. Assist in the development of firms that can compete successfully in the marketplace outside the diversity programs.
- C. Funding for projects under these contracts may be funded in part by the federal agencies (i.e., Federal Transit Administration (FTA), Federal Emergency Management Administration (FEMA)), or may be a combination of funds appropriated by the state, county, or city governments.
- D. There is no diversity goal established for this project.
- E. **Non-discrimination.** Proposers shall not discriminate on the basis of race, color, creed, age, sex, sexual orientation, gender identity, national origin, or disability in the performance of this project. The Proposer shall carry out applicable requirements of 49 CFR Part 26 in the award and administration of contracts. Failure by the Proposer to carry out these requirements is a material breach of the resulting contract, which may result in the termination of the contract or such other remedy as KCATA deems appropriate.

## SECTION 4 PROPOSAL SUBMISSION, EVALUATION AND AWARD

### 4.1 Introduction

The intent of the RFP is to encourage submittals that clearly communicate the contractor's qualifications for the Project. Proposals should provide information in a concise, and well-written, well-organized manner containing only information relevant to this Project. All proposals should follow the format specified below as this will assist the evaluation committee in determining the most highly qualified contractor. Firms are encouraged to submit only proposal material that is relative to the contractor services and scope cited. Including extra marketing materials and publications is discouraged.

### 4.2 Proposal Format

- A. Volumes shall be submitted in the following order:
  - b. Volume 1: Price Proposal
  - c. Volume 2: Technical Proposal
  - d. Volume 3: Contractual Documents
- B. Proposers shall submit each Volume as a separate document in .pdf format. Each document is to be labeled with the volume number and the Proposer's name.
- C. **No Price Proposal information is to be included within Volumes 2 and 3.** Volumes 1 and 3 are not shared with the evaluation team.
- D. Submission of a proposal shall constitute a firm offer to KCATA for one hundred twenty (120) days from the date of closing.

### 4.3 Volume 1 – Price Proposal

- B. Proposers are asked to submit the Sample Price Proposal (Attachment C) that includes a variety of standard vending/market items. This Sample Proposal will be used to evaluate competitor pricing. The prices must be fair and reasonable and should include all items of labor, materials, and other costs necessary to perform the contract.
- C. Proposers shall also submit a comprehensive list of prices for all items available and provided on a regular basis. This is separate from the Sample Price Proposal and will become part of the executed contract. Each additional price page shall be labeled with the Proposer's Name and signed by the Authorized Representative. Proposers may submit in Excel format, and include the signed document in PDF format.
- D. Contractor's requests for price increases will not be guaranteed, and must be requested no less than thirty (30) days prior to effective date.
- F. Vendors may submit pricing on an excel format as a supplemental document. **No price information is to be included in the Technical Proposal (Volume 2).**

### 4.4 Volume 2 – Technical Proposal

- A. The Technical Proposal page limit is no more than 20 pages. The Proposer may choose to allocate pages between any of the evaluation criteria as long as the Proposal does not exceed 20 pages. If a Proposer submits a proposal exceeding this limit, KCATA will consider the pages up to the allowable number and discard all subsequent pages.
- B. One page is defined as one side of a single, 8-1/2 x 11" page, with 11-point minimum font size for the substantive text. Any page over this size will be counted as two (2) pages. Any page or partial page with substantive text, tables, graphics, charts, etc., will be counted as one (1) page. Proposers may use their discretion for the font size of other materials (e.g., graphics, charts).

C. The following are **excluded** from the page count:

- Title Page
- Table of Contents
- Letter of Transmittal
- Tabs or Indices
- Additional Lists of References
- Resumé and background information (please do not include any more than 2 pages per individual)
- Supplemental documents that are requested as part of this RFP

D. Each technical proposal should enable the evaluation committee to make a thorough evaluation and arrive at a sound determination that the proposal meets KCATA's requirements. Each technical proposal must be so specific, detailed, and complete as to clearly and fully demonstrate that the Proposer has a thorough knowledge and understanding of the requirements and has valid and practical solutions for technical problems. Statements which paraphrase the requirements or state that "standard procedures will be employed" are inadequate to demonstrate how the Proposer will comply with the requirements of this procurement.

E. To achieve a uniform review process and obtain the maximum degree of compatibility, technical proposals must be organized as follows:

1. Letter of Transmittal. The letter should be addressed to Kristen Emmendorfer, KCATA Procurement Director, and signed by a corporate officer with authority to bind the firm and contain and/or acknowledge the following:
  - a. Company name, location of business operations, and list of key personnel that will be associated with the project (i.e., Regional Manager, Account Manager).
  - b. Acknowledgement of Receipt of Addenda (if any).
  - c. A statement that the Account Manager or the key Individuals identified in the Proposal will be available and committed to the Project for its duration and that key personnel shall not be removed or replaced without the prior notice to KCATA.
  - d. Briefly state the firm's understanding of the services to be performed and make a positive commitment to provide services and specified.
2. Title Page. Show the RFP Number and title, the name of the firm, address, telephone number(s), email address, fax number(s) and date.
3. Table of Contents. Clearly identify the materials submitted by section and page number.
4. General Business Background. Provide a brief synopsis of the Proposer's business. State whether the firm is local, regional, or national and how long the firm has been in existence under current ownership/management and where the offices are located. Identify and state how long the firm has provided the types of services requested in this RFP.

5. Experience and Qualifications of Firm and Key Personnel.

This section should demonstrate the Proposer's experience, skills and qualifications of the firm and proposed key personnel considered vital to successful performance of this contract.

- a. If applicable, state how project staff will be supported by regional or national staff.
- b. Provide an organizational chart showing staffing in all functional areas of the project (prime and subs).
- a. Provide resumés (limited to no more than two (2) pages per individual) for the proposed key personnel (Regional and Account managers) Resumes should not include any personal information (i.e., emails or phone numbers).
- b. Define typical response time to requests for unscheduled/unforeseen deliveries, emergencies, and coordination efforts that may arise during the project.
- c. References. Proposer shall provide a minimum of three (3) references that positively demonstrate experience in successfully providing services similar to those outlined in the Scope of Services. The references should include:
  - Name of Company
  - A brief summary of project, type of services performed, and any value added services included

If, after termination for failure to fulfill contract obligations, it is determined that the Contractor was not in default, KCATA, after setting up a new delivery or performance schedule, may allow the Contractor to continue work, or treat the termination as a termination for convenience.
- D. **Opportunity to Cure.** KCATA in its sole discretion may, in the case of a termination for breach or default, allow the Contractor an appropriately short period of time in which to cure the defect. **39. UNAVOIDABLE DELAYS**
