- c. **DBE Certification** - KCATA will only recognize firms that are certified as DBE's under the DOT guidelines found in 49 CFR Part 26. 2. Any portion of the value of the contract that a DBE Subcontractor subcontracts back to the prime contractor or any other contractor who is not a qualified DBE; and
 - a. Materials and supplies used on the contract unless the DBE is responsible for negotiating the price, determining quality and quantity, ordering the materials and installing (where applicable) and paying for material itself; and
 - b. Work performed by a DBE in a scope of work other than that in which the DBE is currently certified.

- C. Debarment
1. The Proposer must certify that is not included in the "U. S. General Services Administration's List of Parties Excluded from Federal Procurement or Non-Procurement Programs."
 2. The Proposer agrees to refrain from awarding any subcontractor of any amount (at any tier) to a debarred or suspended subcontractor, and to obtain a similar certification from any subcontractor (at any tier) seeking a contract exceeding \$25,000.
 3. The Proposer agrees to provide KCATA with a copy of each conditioned debarment or suspension certification provided by a prospective subcontractor at any tier, and to refrain from awarding a subcontract with any party that has submitted a conditioned debarment or suspension certification until FTA approval is obtained.

D. Lobbying

1. Pursuant to Public Law 104-65, the Proposer is required to certify that no Federal funds were used to influence or attempt to influence an officer or employee of any Federal department or agency, a member of Congress or State legislature, an officer or employee of Congress or State legislature, or an employee of a member of Congress or State legislature regarding the project(s) included in this contract.
2. Proposers who use non-Federal funds for lobbying on behalf of specific projects or proposals must submit disclosure documentation when these efforts are intended to influence the decisions of Federal officials. If applicable, Standard Form-LLL, "Disclosure Form to Report Lobbying", is required with the Proposer's first submission initiating the KCATA's consideration for a contract. Additionally, Disclosure forms are required each calendar quarter following the first disclosure if there has been a material change in the status of the previous disclosure. A material change includes: 1) a cumulative increase of \$25,000 or more in the amount paid or expected to be paid for influencing or attempting to influence a covered Federal action; 2) a change in the person(s) or individual(s) influencing or attempting to influence a covered Federal action; or 3) a change in the officer(s) or employee(s) or Member(s) contacted to influence or attempt to influence a covered Federal action.

2. The Proposer shall also affirm that it does not knowingly employ any person in connection with the contracted services who does not have the legal right or authorization under Federal law to work in the United States as defined in 8 U.S.C. §1324a(h)(3).
3. The Proposer is required to obtain the same affirmation from all subcontractors at all tiers.

F. Proposer Status and Affirmative Action

1. Vendor Registration. All firms doing business with the KCATA shall complete a Vendor Registration Form (Attachment A). However, bidders that have previously submitted a form within the past two (2) years need not submit a Vendor Registration Form. It is the vendors' responsibility to keep a current Form on file with the KCATA Procurement Department.
2. Affirmative Action Compliance.
 - a. Contractors and subcontractors agree to comply with Federal Transit Law, specifically 49 U.S.C. 5332 which prohibits discrimination, including discrimination in employment and discrimination in business opportunity.
 - b. Firms that have not filed an Affirmative Action compliance certification with the KCATA in

the past year shall submit an Affidavit of Civil Rights Compliance (Attachment B).

- c. An exemption from filing an Affirmative Action Program may be requested if your firm has fewer than fifty (50) employees. To do so, a signed, notarized Attachment B shall be submitted.
- d. A current Certificate of Affirmative Action compliance from a local government agency may be submitted in lieu of a program or policy statement.
- e. For questions on these requirements, or assistance in completing the forms, please contact KCATA's Procurement Manager at (816) 346-0224.

6. Basis for Contract Award

- A. This is a "Best Value," competitive, negotiated source selection. Award of contract, if any, will be made to the responsive and responsible Proposer whose offer conforming to the solicitation is judged by an integrated assessment of the evaluation criteria to be the most advantageous to the Authority, price/cost and other factors considered. For this procurement, all evaluation factors other than cost/price, when combined are more important than cost/price.
- B. KCATA may select other than the lowest cost/priced, technically acceptable offer if it is determined that the additional technical merit offered is worth the additional cost in relation to other proposals received. KCATA is more concerned with obtaining excellent technical features than with making an award at the lowest overall cost/price to the Authority. However, the Authority will not make an award at a significantly higher overall cost to achieve only slightly superior technical features.
- C. Offerors are further cautioned that KCATA may not necessarily make an award to the Proposer with the highest technical ranking if doing so would not represent the best value to KCATA. For evaluation purposes, if proposals become more technically equivalent, then cost/price becomes more important and may be the deciding factor.
- D. If in its best interest, KCATA reserves the right to make an award to more than one Proposer.

7. Evaluation Criteria

- A. Each technical proposal should enable the evaluation committee to make a thorough evaluation and arrive at a sound determination as to whether the proposal will meet KCATA's requirements. Each technical must be so specific, detailed and complete as to clearly and fully demonstrate that the proposer has a thorough knowledge and understanding of the requirements and has valid and practical solutions for technical problems. Statements which paraphrase the requirements or attest that "standard procedures will be employed" are inadequate to demonstrate how the proposer will comply with the requirements of this procurement.
- B. Technical proposals will first be reviewed by KCATA for responsiveness. To be responsive, proposals must contain all required forms, meet the RFP requirements to KCATA's satisfaction, and provide the requested information. Failure to submit the required forms, meet the RFP requirements, or provide the requested information will cause the proposal to be deemed as non-responsive.

- C. Responsive proposals will be evaluated by the evaluation committee on the following criteria, listed in order of importance. The combined technical factors are significantly more important than price. A total of 100 points can be awarded.

Evaluation Criteria	Evaluation Point Value
Cost/Price	25
Nurses Education, Training, and Experience <ul style="list-style-type: none">• Availability of nurse(s) skilled in disability analysis and life care planning (not mandatory)• Training in the biopsychosocial pain management model• Training and education in ODG guidelines• Training and education in the current MSD medical treatment literature (knees, shoulders, and spine)• Experience of designated nurses	40
Past Performance and Reputation with Clients	30
Cyber Security	5
TOTAL POINTS POSSIBLE	100

8. Presentations/Interviews/Written Responses

After the closing date, selected Proposers with the highest evaluation score(s) may be invited to interview with the evaluation committee concerning its technical proposal. The evaluation committee may also require a Proposer(s) to submit written responses to questions regarding its proposal. Proposers selected for interview will be notified.

9. Negotiations & Best and Final Offer (BAFO)

- A. Additional contract negotiations may be required with the highest ranked proposers prior to final contract award. KCATA may solicit a revised proposal or a Best and Final Offer (BAFO) from one or more proposers. KCATA may or may not contact all proposers to negotiate and/or to submit a BAFO.
- B. After receipt of the results of the proposal evaluations, interviews, and BAFO(s), if applicable, the evaluation committee will complete its evaluation and recommend for award the responsible proposer(s) judged to provide the best value to the Kansas City Area Transportation Authority.

Such obligation shall not be construed to negate, abridge or otherwise reduce other rights or obligations of indemnity which would otherwise exist as to a party or person described in this paragraph.
 2. In claims against any person or entity indemnified under this section, by an employee or Contractor, subcontractor or sub-subcontractor or anyone directly or indirectly employed by any of them, the indemnification obligation shall not be limited by a limitation on the amount or type of damages, compensation or benefits payable by or for the Contractor, subcontractor, or sub-subcontractor under worker's compensation acts, disability benefit acts or other employee benefit acts. 4. KCATA shall permit Contractor to participate in the defense of any such action or suit through counsel chosen by the Contractor, provided that all fees and expenses of such counsel shall be borne by Contractor. If KCATA permits Contractor to undertake, conduct and control the conduct and settlement of such action or suit, Contractor shall not consent to any settlement that does not include as an unconditional term thereof the giving of a complete release from liability with respect to such action or suit to KCATA. 34. TERMINATION

- A. **Termination for Convenience.** The KCATA may terminate this Contract, in whole or in part, at any time by written notice to the Contractor when it is in KCATA's best interest. The Contractor will only be paid the Contract price for supplies delivered and accepted, or work or services performed in accordance with the manner of performance set forth in the Contract.
- B. **Funding Contingency.** If this Contract is subject to financial assistance provided by the U.S. Department of Transportation, the Contractor agrees that withdrawal or termination of such financial assistance by the U.S. DOT may require KCATA to terminate the agreement.
- C. **Termination for Default.**
 - 1. If the Contractor does not deliver supplies in accordance with the contract delivery schedule or according to specifications, or if the Contract is for services, and the Contractor fails to perform in the manner called for in the Contract, or if the Contractor fails to comply with any other provisions of the Contract, KCATA may terminate this Contract for default. Termination shall be effected by serving a notice of termination on the Contractor setting forth the manner in which the Contractor is in default. The Contractor will only be paid the contract price for supplies delivered and accepted, or services performed in accordance with the manner of performance set forth cost of the Contract.
 - 2. If the termination is for failure of the Contractor to fulfill the contract obligations, KCATA may complete the work by contract or otherwise and the Contractor shall be liable for any additional cost incurred by KCATA. If, after termination for failure to fulfill contract obligations, it is determined that the Contractor was not in default, KCATA, after setting up a new delivery or performance schedule, may allow the Contractor to continue work, or treat the termination as a termination for convenience.
- D. **Opportunity to Cure.** KCATA in its sole discretion may, in the case of a termination for breach or default, allow the Contractor an appropriately short period of time in which to cure the defect. In such case, the written notice of termination will state the time period in which cure is permitted and other appropriate conditions. If Contractor fails to remedy to KCATA's satisfaction the breach or default of any of the terms, covenants, or conditions of this Contract within the time period permitted, KCATA shall have the right to terminate the Contract without any further obligation to Contractor. Any such termination for default shall not in any way operate to preclude KCATA from also pursuing all available remedies legal and non-legal against Contractor and its sureties for said breach or default.
- E. **Waiver of Remedies for any Breach.** In the event that KCATA elects to waive its remedies for any breach by Contractor of any covenant, term or condition of this Agreement, such waiver by KCATA shall not limit KCATA's remedies for any succeeding breach of that or of any other term, covenant, or condition of this Agreement.

- F. **Property of KCATA.** Upon termination of this Contract for any reason, and if the Contractor has any property in its possession or under its control belonging to KCATA, the Contractor shall protect and preserve the property or pay KCATA full market value of the property, account for the same, and dispose of it in the manner KCATA directs. Upon termination of this Contract for any reason, the Contractor shall (1) immediately discontinue all services affected (unless the notice directs otherwise), and (2) deliver to KCATA's Project Manager all data, drawings, specifications, reports, estimates, summaries, and other information and materials accumulated in performing this Contract, whether completed or in process.

- B. **Notification of Delays.** The Contractor shall notify the Director of Procurement as soon as the Contractor has, or should have, knowledge that an event has occurred which will cause an unavoidable delay. Within five (5) days, the Consultant shall confirm such notice in writing furnishing as much as detail as is available.
- C. **Request for Extension.** The Consultant agrees to supply, as soon as such data is available, any reasonable proof that is required by the Director of Procurement to make a decision on any request for extension. The Director of Procurement shall examine the request and any documents supplied by the Consultant and shall determine if the Consultant is entitled to an extension and the duration of such extension. The Director of Procurement shall notify the Consultant of its decision in writing.
- D. It is expressly understood and agreed that the Consultant shall not be entitled to damages or compensation and shall not be reimbursed for losses on account of delays resulting from any cause under this provision, except to the extent the Consultant's delay was attributable to KCATA's non-performance of its duties herein.

- H. **When Effective.** Notwithstanding any provision contained in this Contract to the contrary, this Contract shall become effective only after the execution and delivery of this Contract by each of the parties hereto and no course of conduct, oral contract or written memoranda shall bind the parties hereto with respect to the subject matter hereof except this Contract.
- I. **Further Actions; Reasonableness and Cooperation by Parties; Time for Certain Actions.** Each party agrees to take such further actions and to execute such additional documents or instruments as may be reasonably requested by the other party to carry out the purpose and intent of this Contract. Except where expressly stated to be in a party’s sole discretion, or where it is stated that a party has the ability to act in its sole judgment or for its own uses or purposes, wherever it is provided or contemplated in this Contract that a party must give its consent or approval to actions or inactions by the other party or a third party in connection with the transactions contemplated hereby, such consent or approval will not be unreasonably withheld or delayed. If no time period is set hereunder for a party to approve or consent to an action or inaction by the other party or a third party such approval shall be given or affirmatively withheld in writing within ten (10) business days after it is requested in writing or it shall be deemed given.
- J. **Survival.** In addition to any provisions expressly stated to survive termination of this Contract, all provisions which by their terms provide for or contemplate obligations or duties of a party which are to extend beyond such termination (and the corresponding rights of the other party to enforce or receive the benefit thereof) shall survive such termination.
