SECTION 2.
OVERVIEW AND GENERAL SCOPE OF SERVICES

A. Background:

The Kansas City Area Transportation Authority (“KCATA” or “Authority”) was formed in 1965 by the signing of a bi-state compact between the States of Missouri and Kansas. The compact gives the KCATA responsibility for planning, constructing, owning and operating transportation systems and facilities within the seven-county metropolitan area.

The counties are Cass, Clay, Jackson, and Platte in Missouri; and Johnson, Leavenworth, and Wyandotte in Kansas. The Authority’s Transportation Division operates a fleet of about 287 buses on 58 (53 fixed, 5 flex) routes, logging nearly 43,000 passenger trips every weekday. Service is provided from 4 a.m. to 1 a.m. seven days a week.

In addition, KCATA also operates the very popular Trolley Track Trail, 35 park-and-ride lots and transit centers, Freedom paratransit service, and the Vanpool Program.

The KCATA employs approximately 762 full time equivalent employees involved in such activities as bus driving, vehicle maintenance, facilities maintenance, administrative, and clerical functions. KCATA operates from a central facility located at 1200 East 18th Street, Kansas City, Missouri.

Below is a breakdown of the work force:

Transportation	469
Vehicle/Facilities Maintenance	175
<u>Administrative/Salaried/Clerical</u>	<u>135</u>
Total	779

The Division of Administrative Services will be the authority’s liaison on all issues that arise between the successful proposer and the services requested in the Scope of Services.

Information regarding all of the transportation services provided by KCATA can be found on its website at www.kcata.org.

B. Term and Renewal Options:

The term of this agreement shall be for a period of three years from date of contract award with the possibility of two 1-year options. Work in process prior to expiration of the Agreement shall be completed and as construed by KCATA to be within the “contract term.”

C. Scope of Services:

1. BACKGROUND

The Kansas City Area Transportation Authority (KCATA) on behalf of The Union Employees' Funded Pension Plan is seeking Auditing Services of a qualified auditing firm to perform both limited and full audits for the pension fund.

The KCATA is a corporate body and political subdivision of the States of Missouri and Kansas. Therefore, the KCATA's Union Employees' Funded Pension Plan is a governmental plan as defined in §3(32) of ERISA. The Plan is a defined benefit plan with both employee and employer contributions in amounts specified in the collective bargaining agreement between the KCATA and Amalgamated Transit Union (ATU) Local 1287.

Benefits are to be paid by the investment manager to retirees based upon formulas prescribed by the plan, calculated and provided to the investment manager by the Authority.

The Funded Pension Committee is comprised of three representatives from the Authority's Board of commissioners and three representatives from the ATU Local 1287. The Committee has the power to:

- a. Administer the Plan in accordance with its provisions;
- b. Make, change, and enforce rules and regulations, consistent with the provisions of the Plan, as may be necessary or desirable to carry out its duties for the efficient administration of the Plan; and
- c. Determine the eligibility of employees for retirement under the Plan, and, if eligible, their rights hereunder.

The Kansas City Area Transportation Authority Union Employees Funded Pension Plan is a Defined Benefit Pension Plan. The assets of the plan as of December 2018 are \$47,590,586. The Pension Fund currently has 630 active employees who contribute to the plan and 438 retirees. The assets of the plan are managed and invested by Russell Investments who also perform the custodial and trustee services for the plan. Cavanaugh Macdonald Consulting, LLC is the actuarial agency that currently provides the annual actuarial valuation and employee calculations for pension data. This plan became effective November 1, 1971.

Attachments are provided describing the following aspects of the current Plan:

- a. Investment Policies and guidelines (Attachment G)
- b. Asset Allocation Mix (Attachment G)
- c. Investment Results (Attachment G)

2. SERVICES TO BE PROVIDED

- Perform audit of plan by testing accounting records of the plan, reviewing procedures of implementing the plan and a review of internal controls.
- Prepare annual audit report by testing plan documents, which include accrued liabilities, investments and employee/employer contributions.

- Provide a written report to the Funded Pension Committee.
- Make annual presentation to the Funded Pension Committee regarding the status of the funded pension plan.
- Advise Funded Pension Committee of any fraud; errors or illegal acts pertaining to the plan
- Limited and full audits will be prepared on alternating years.
- Breakdown of billings by the hourly rate

- B. Interested firms may submit proposals until proposal closing at **2:00 P.M., April 5, 2019**. Proposals received after the time specified may not be considered for award. - C. Submitting a proposal constitutes a firm offer to KCATA for ninety (90) days from the closing date.
- D. KCATA is not responsible for any cost or expense that may be incurred by the Proposer before the execution of a contract, including costs associated with preparing a proposal or interviews.
- E. The Kansas City Area Transportation Authority is exempt from federal excise, federal transportation and state sales tax and such taxes shall not be included in bid prices/price quotations or proposals. Nevertheless, the Offeror is not exempt from these taxes when purchasing materials directly from its supplier.
- F. In cases where communication is required between bidders and the KCATA, such as requests for information, instruction, clarification of specifications, approval of completed work, etc., such communication shall be forwarded in writing directly to **Rebecca Clyma, Buyer**. Electronic comments, questions and requests for clarification should be sent to rclyma@kcata.org and the subject line should read “RFP #19-7009-28B.”

2. Reservations

- A. KCATA reserves the right to waive informalities or irregularities in proposals, to accept or reject any or all proposals, to cancel this RFP in part or in its entirety, and to re-advertise for proposals if it is in the best interest of the Authority. KCATA shall be the sole judge of what is in its best interest with respect to this RFP.
- B. KCATA also reserves the right to award a contract solely on the basis of the initial proposal without interviews, discussions, or negotiations. Therefore, offers should be submitted to KCATA on the most favorable terms possible, from a cost or price and technical standpoint.

3. Proposer’s Responsibilities

- A. By submitting a proposal, the Proposer represents that:
 - 1. The Proposer has read and understands the RFP and the proposal is made in accordance with the RFP requirements and instructions; and agrees to furnish and deliver the items or perform services as described herein for the consideration stated in accordance with the terms and conditions listed

in the KCATA RFP. The rights and obligations of the parties to any resultant purchase order/contract shall be subject to and governed by this document and any documents attached or incorporated herein by reference.

If the proposal is made by a partnership, the full names and addresses of all members of the partnership must be given and one principal member should sign the proposal. If a corporation makes the proposal, an authorized officer should sign the proposal in the corporate name. If the proposal is made by a joint venture, the full names and addresses of all members of the joint venture should be given and one authorized member should sign the proposal.

5. Withdrawal & Incomplete Proposals

A. Proposals may be withdrawn upon written request received by KCATA before proposal closing. Withdrawal of a proposal does not prejudice the right of the Proposer to submit a new proposal, provided the new proposal is received before the closing date.

B. Incomplete proposals may render the proposal non-responsive.

6. Modification of Proposals

Any proposal modifications or revisions received after the time specified for proposal closing may not be considered.

7. Unbalanced Proposals

KCATA may determine that an offer is unacceptable if the prices proposed are materially unbalanced. An offer is materially unbalanced when it is based on prices significantly less than cost for some work and prices which are significantly overstated in relation to cost for other work.

8. Protests

A. The following protest procedures will be employed for this procurement. For the purposes of these procedures, "days" shall mean business days of KCATA administrative personnel which are days other than a Saturday, Sunday or legal holiday observed by KCATA for such administrative personnel.

B. **Pre-Submittal** - A pre-submittal protest is received prior to the proposal due date. Pre-submittal protests must be received by the Authority, in writing and addressed to KCATA's Director of Procurement, no later than five (5) days before the bid closing date.

- D. **Post-Award** - Post-Award protests must be received by the Authority, in writing and addressed to KCATA's Director of Procurement, no later than five (5) days after the date of the Notice of Intent to Award.

If the protester is not satisfied with the response of the KCATA's Director of Procurement, the protester may appeal in writing to the KCATA Chief Financial Officer within five (5) days from the date of the Interim Director of Procurement's response.
- F. KCATA's Chief Financial Officer will decide if the protest and the appeal (if any) have been given fair and reasonable consideration, or if additional consideration is warranted. The Chief Financial Officer's response will be provided within ten (10) days after receipt of the request. The Chief Financial Officer's decision is final and no further action on the protest shall be taken by the KCATA.
- G. By written notice to all parties, KCATA's Interim Director of Procurement may extend the time provided for each step of the protest procedures, extend the date of notice of award, or postpone the award of a contract if deemed appropriate for protest resolution.
- H. Protesters shall be aware of the Federal Transit Administration's (FTA) protest procedures with the FTA Regional Office (ref: FTA Circular 4220.1F) If federal funding is involved, FTA will review protests from a third party only when: 1) a grantee does not have a written protest procedure or fails to follow its procedure, or fails to review a complaint or protest; or 2) violations of specific federal laws or regulations have occurred.
- I. An appeal to FTA must be received by FTA's regional office within five (5) working days of the date the protester learned or should have learned of KCATA's decision. Protests shall be addressed to: Regional Administrator, FTA Region 7, 901 Locust, Room 404, Kansas City, Missouri, 64106.

 - (3) segregating each page of each such document in a sealed envelope, which shall prominently display, on the outside, the words "Proprietary Information" in at least 16-point font, along with the name and address of the Proposer.
- B. After either a contract is executed pursuant to this RFP, or all proposals are rejected, the proposals

will be considered public records open for inspection. If access to documents marked "Proprietary Information," as provided above, is requested under the Missouri Open Records Law, Section 610 of the Revised Statutes of Missouri, the KCATA will notify the Proposer of the request and the Proposer shall have the burden to establish that such documents are exempt from disclosure under the law. Notwithstanding the foregoing, in response to a formal request for information, the KCATA reserves the right to release any documents if the KCATA determines that such information is a public record pursuant to the Missouri Sunshine Law.

10. Disadvantaged Business Enterprise (DBE) Requirements

- A. This Contract is subject to the Requirements of Title 49, Code of Federal Regulations Part 26, Participation by Disadvantaged Business Enterprises in Department of Transportation Financial Assistance Programs. KCATA's overall goal for DBE participation is 15%. **A separate contract goal of 0% has been established for this procurement.**
- B. **Non-discrimination** - Proposers shall not discriminate on the basis of race, color, national origin, or sex in the performance of this project. The Proposer shall carry out applicable requirements of 49 CFR Part 26 in the award and administration of DOT-assisted contracts. Failure by the Proposer to carry out these requirements is a material breach of the resulting contract, which may result in the termination of the contract or such other remedy as KCATA deems appropriate.
- C. **DBE Certification** - KCATA will only recognize firms that are certified as DBE's under the DOT guidelines found in 49 CFR Part 26. DBE subcontractors must be certified as a DBE by the Kansas Department of Transportation (KDOT) or a member of the Missouri Regional Certification Committee, which includes KCMO, MoDOT, City of St. Louis, Metro in St. Louis or KCATA. MBE and WBE certifications for other agencies will not be considered.
- D. **DBE Participation Credit** - DBE firms may participate as Prime Contractors, Subcontractors or Suppliers.

The following shall be credited towards achieving the goals, except as provided herein:

- A. The total contract dollar amount that a qualified DBE Prime Contractor earns for that portion of work on the contract that is performed by its own workforce, is performed in a category in which the DBE is currently certified and is a commercially useful function as defined by the Program. DBE Prime Contractors must perform thirty percent (30%) of the contract value.
- B. The total contract dollar amount that a Prime Contractor has paid or is obligated to pay to a subcontractor that is a qualified DBE; and
- C. Subcontractor participation with a lower tier DBE subcontractor; and
- D. Sixty percent (60%) of the total dollar amount paid or to be paid by a Prime Contractor to obtain supplies or goods from a supplier who is not a manufacturer and who is a qualified DBE. If the DBE is a manufacturer of the supplies, then one hundred percent (100%) may be credited, to be determined on a case-by-case basis.
- E. NO CREDIT, however, will be given for the following:

1. Participation in a contract by a DBE that does not perform a commercially useful function as defined by the Program; and
2. Any portion of the value of the contract that a DBE Subcontractor subcontracts back to the prime contractor or any other contractor who is not a qualified DBE; and
 - a. Materials and supplies used on the contract unless the DBE is responsible for negotiating the price, determining quality and quantity, ordering the materials and installing (where applicable) and paying for material itself; and
 - b. Work performed by a DBE in a scope of work other than that in which the DBE is currently certified.

**SECTION 4

Each technical proposal must be so specific, detailed and complete as to clearly and fully demonstrate that the Proposer has a thorough knowledge and understanding of the requirements and has valid and practical solutions for technical problems. - B. **Subrogation.** Contractor, its agents and any subcontractor hereby waive and relinquish any right of subrogation or claim against KCATA, its commissioners, senior leaders and employees arising out of the use of KCATA's premises (including any equipment) by any party in performance of this Agreement.
- C. **Indemnification.**
1. To the fullest extent permitted by law, Contractor agrees to and shall indemnify, defend and hold harmless KCATA, its Commissioners, officers and employees from and against any and all claims, losses, damages, causes of action, suits, liens and liability of every kind, (including all expenses of litigation, expert witness fees, court costs and attorney's fees whether or not suit be commenced) by or to any person or entity (collectively the "Liabilities") arising out of, caused by, or resulting from the acts or omissions of Contractor, subcontractors, or sub-subcontractors, their respective agents or anyone directly or indirectly employed by any of them in performing work under this Contract, including consequential damages, regardless of whether or not such claim, damage, loss or expense is caused in part by a party indemnified hereunder, so long as such Liabilities are not caused by the sole negligence or willful misconduct of a party indemnified hereunder. Such obligation shall not be construed to negate, abridge or otherwise reduce other rights or obligations of indemnity which would otherwise exist as to a party or person described in this paragraph.
 2. In claims against any person or entity indemnified under this section, by an employee or Contractor, subcontractor or sub-subcontractor or anyone directly or indirectly employed by any of them, the indemnification obligation shall not be limited by a limitation on the amount or type of damages, compensation or benefits payable by or for the Contractor, subcontractor, or sub-subcontractor under worker's compensation acts, disability benefit acts or other employee benefit acts. 4. KCATA shall permit Contractor to participate in the defense of any such action or suit through counsel chosen by the Contractor, provided that all fees and expenses of such counsel shall be borne by Contractor. If KCATA permits Contractor to undertake, conduct and control the conduct and settlement of such action or suit, Contractor shall not consent to any settlement that does not include as an unconditional term thereof the giving of a complete release from liability with respect to such action or suit to KCATA. Contractor shall promptly reimburse KCATA for the full amount of any damages, including fees and expenses of counsel for KCATA, incurred in connection with any such action.

D. **Release.** "Contractor, its officers, directors, employees, heirs, administrators, executors, agents and representatives and respective successors and assigns hereby fully release, remise, acquit and forever discharge the KCATA and its commissioners, officers, directors, attorneys, employees, agents, representatives and its respective successors and assigns from any and all actions, claims, causes of action, suits, rights, debts, liabilities, accounts, agreements, covenants, contracts, promises, warranties, judgments, executions, demands, damages, costs and expenses, whether known or unknown at this time, of any kind or nature, absolute or contingent, existing at law or in equity, on account of any matter, cause or thing whatsoever that has happened, developed or occurred before or after you sign and deliver this Agreement to us. Any delay or postponement of payment from said time frame may occur only for good cause following written approval from KCATA.
3. The Contractor shall certify on each payment request to the Authority that payment has been or will be made to all subcontractors. Lien waivers may be required for the Contractor and its subcontractors. The Contractor shall notify KCATA on or before each payment request, of any situation in which scheduled subcontractor payments have not been made.
4. If a subcontractor alleges that the Contractor has failed to comply with this provision, the Contractor agrees to support any Authority investigation, and if deemed appropriate by the Authority, to consent to remedial measures to ensure that subcontractors are properly paid as set forth herein.
5. The Contractor agrees that the Authority may provide appropriate information to interested subcontractors who inquire about the status of Authority payments to the Contractor.
6. Nothing in this provision is intended to create a contractual obligation between the Authority and any subcontractor or to alter or affect traditional concepts of privity of contract between all parties.

27. RIGHT TO OFFSET

KCATA, without waiver or limitation of any rights, may deduct from any amounts due Contractor in connection with this Contract, or any other contract between Contractor and KCATA, any amounts owed by Contractor to KCATA, including amounts owed by Contractor pursuant to Contractor's obligation to indemnify KCATA against third party claims arising out of Contractor's performance of work under this Contract.

The Contractor will only be paid the Contract price for supplies delivered and accepted, or work or services performed in accordance with the manner of performance set forth in the Contract.
- B. **Funding Contingency.** If this Contract is subject to financial assistance provided by the U.S. Department of Transportation, the Contractor agrees that withdrawal or termination of such financial assistance by the U.S. DOT may require KCATA to terminate the agreement.
- C. **Termination for Default.**
1. If the Contractor does not deliver supplies in accordance with the contract delivery schedule or according to specifications, or if the Contract is for services, and the Contractor fails to perform in the manner called for in the Contract, or if the Contractor fails to comply with any other provisions of the Contract, KCATA may terminate this Contract for default. Termination shall be effected by serving a notice of termination on the Contractor setting forth the manner in which the Contractor is in default. The Contractor will only be paid the contract price for supplies delivered and accepted, or services performed in accordance with the manner of performance set forth cost of the Contract.
 2. If the termination is for failure of the Contractor to fulfill the contract obligations, KCATA may complete the work by contract or otherwise and the Contractor shall be liable for any additional cost incurred by KCATA. If, after termination for failure to fulfill contract obligations, it is determined that the Contractor was not in default, KCATA, after setting up a new delivery or performance schedule, may allow the Contractor to continue work, or treat the termination as a termination for convenience.
- D. **Opportunity to Cure.** KCATA in its sole discretion may, in the case of a termination for breach or default, allow the Contractor an appropriately short period of time in which to cure the defect. In such case, the written notice of termination will state the time period in which cure is permitted and other appropriate

conditions. If Contractor fails to remedy to KCATA's satisfaction the breach or default of any of the terms, covenants, or conditions of this Contract within the time period permitted, KCATA shall have the right to terminate the Contract without any further obligation to Contractor. Any such termination for default shall not in any way operate to preclude KCATA from also pursuing all available remedies legal and non-legal against Contractor and its sureties for said breach or default.

- E. **Waiver of Remedies for any Breach.** In the event that KCATA elects to waive its remedies for any breach by Contractor of any covenant, term or condition of this Agreement, such waiver by KCATA shall not limit KCATA's remedies for any succeeding breach of that or of any other term, covenant, or condition of this Agreement.
- F. **Property of KCATA.** Upon termination of this Contract for any reason, and if the Contractor has any property in its possession or under its control belonging to KCATA, the Contractor shall protect and preserve the property or pay KCATA full market value of the property, account for the same, and dispose of it in the manner KCATA directs. Upon termination of this Contract for any reason, the Contractor shall (1) immediately discontinue all services affected (unless the notice directs otherwise), and (2) deliver to KCATA's Project Manager all data, drawings, specifications, reports, estimates, summaries, and other information and materials accumulated in performing this Contract, whether completed or in process.

37. UNAVOIDABLE DELAYS

- A. A delay is unavoidable only if the delay was not reasonably expected to occur in connection with or during the Contractor's performance, and was not caused directly or substantially by acts, omissions, negligence, or mistakes of the Contractor, the Contractor's suppliers, or their agents, and was substantial and in fact caused the Contractor to miss delivery dates, and could not adequately have been guarded against by contractual or legal means.
- B. **Notification of Delays.** The Contractor shall notify the Director of Procurement as soon as the Contractor has, or should have, knowledge that an event has occurred which will cause an unavoidable delay. Within five (5) days, the Consultant shall confirm such notice in writing furnishing as much as detail as is available.
- C. **Request for Extension.** The Consultant agrees to supply, as soon as such data is available, any reasonable proof that is required by the Director of Procurement to make a decision on any request for extension. The Director of Procurement shall notify the Consultant of its decision in writing.
- D. It is expressly understood and agreed that the Consultant shall not be entitled to damages or compensation and shall not be reimbursed for losses on account of delays resulting from any cause under this provision, except to the extent the Consultant's delay was attributable to KCATA's non-performance of its duties herein.

Therefore, all such references in this Contract are agreed by the parties to be deemed to refer to the then current updated, amended or replacement form of such laws, regulations, policies, procedures and directives in effect at the applicable time during the term of this Contract and the same are hereby incorporated into this Contract by this reference.
- H. **When Effective.** Notwithstanding any provision contained in this Contract to the contrary, this Contract shall become effective only after the execution and delivery of this Contract by each of the parties hereto and no course of conduct, oral contract or written memoranda shall bind the parties hereto with respect to the subject matter hereof except this Contract.
- I. **Further Actions; Reasonableness and Cooperation by Parties; Time for Certain Actions.** Each party agrees to take such further actions and to execute such additional documents or instruments as may be reasonably requested by the other party to carry out the purpose and intent of this Contract. Except where expressly stated to be in a party's sole discretion, or where it is stated that a party has the ability to act in its sole judgment or for its own uses or purposes, wherever it is provided or contemplated in this Contract that a party must give its consent or approval to actions or inactions by the other party or a third party in connection with the transactions contemplated hereby, such consent or approval will not be

unreasonably withheld or delayed. If no time period is set hereunder for a party to approve or consent to an action or inaction by the other party or a third party such approval shall be given or affirmatively withheld in writing within ten (10) business days after it is requested in writing or it shall be deemed given.

- J. **Survival.** In addition to any provisions expressly stated to survive termination of this Contract, all provisions which by their terms provide for or contemplate obligations or duties of a party which are to extend beyond such termination (and the corresponding rights of the other party to enforce or receive the benefit thereof) shall survive such termination.
