SECTION 2
SCOPE OF SERVICES

A. **Background**

The Kansas City Area Transportation Authority (KCATA) is seeking bids from qualified firms to perform actuarial valuation services in accordance with the requirements and provisions stated herein.

The KCATA is a corporate body and political subdivision of the states of Missouri and Kansas. The authority employs approximately 780 employees and includes bus operators, vehicle maintenance and facilities maintenance personnel in addition to administrative and clerical staff. The Authority has been self-insured since 1986 for the first $2,000,000 of vehicular liability and carries a $10,000,000 excess policy. The authority has been self-insured for worker’s compensation since 1990 and retains $600,000 for each accident and carries annual aggregate excess insurance. The Authority is not subject to uninsured/underinsured motorist’s laws. Thomas McGee is the TPA that handles the vehicular liability and workers compensation claims for the Authority. Information regarding all of the transportation services provided by KCATA can be found on its website at [www.kcata.org](http://www.kcata.org).

B. **Term and Renewal Options:**

The term of the contract will be for three (3) years with two (2) one-year possible extensions. It is anticipated that the start date will begin January, 2020.

C. **Scope of Work/Services**

1. It is the intent of the KCATA management to provide a uniform that operators and supervisors will take pride in wearing, and that reflects the professionalism of the KCATA. It is important that the garments fit well, are comfortable and easy to care for. Employee satisfaction in the uniform is paramount.

2. KCATA does allow the proposers the flexibility to submit the latest fashion and best quality garments available. Please note that approved equals or better must be pre-approved by KCATA. Please see section 3.7B for more information on approved equals.

3. Operators and Supervisors wear the same uniform. As of January, 2019, 473 operators and 33 supervisors are eligible for uniforms. This number will vary as new operators become eligible, operators retire, etc. Payment will be made only for garments ordered and received.

The KCATA will provide the contractor with a list of operators/supervisors (clients) eligible for the uniform allowance at the beginning of the contract years. There will be additions to the list throughout the year. Updates will be sent to the contractor in the form of email or fax.

It is essential for the contractor to track orders for each client and invoice KCATA only for items ordered and received by the client. Each client will have an annual allotment for his/her uniform allowance. Graduating students will have a smaller annual allowance and contractor will be notified by email or fax upon graduation. The client may choose garments only from the approved list and in any combination not to exceed the annual allotment. If the client chooses to purchase additional items at their own expense it is the responsibility of the contractor to place a separate order for the additional items and collect any charges directly from the client. The client must sign for the items received and the KCATA will process all invoices for payment that have a signature.
from the client for the items being invoiced. Quality control and tracking are critical to the contractor because KCATA will only pay for the number and types of authorized items up to each client allotment.

The subject line of electronic communications must reference the RFP number and title.

D. Submitting a proposal constitutes a firm offer to KCATA for one hundred twenty (120) days from the closing date.

E. KCATA is not responsible for any cost or expense that may be incurred by the Proposer before the execution of a contract, including costs associated with preparing a proposal or interviews.

3.2 Reservations

A. KCATA reserves the right to waive informalities or irregularities in proposals, to accept or reject any or all proposals, to cancel this RFP in part or in its entirety, and to re-advertise for proposals if it is in the best interest of the Authority. KCATA shall be the sole judge of what is in its best interest with respect to this RFP.

B. KCATA reserves the right to make multiple awards if it is in the best interest of the Authority.

C. KCATA also reserves the right to award a contract solely on the basis of the initial proposal without interviews or negotiations. Therefore, offers should be submitted to KCATA on the most favorable terms possible, from a technical standpoint.

3.3 Proposer’s Responsibilities

1. The Proposer has read and understands the RFP and the proposal is made in accordance with the RFP requirements and instructions;

B. Incomplete proposals may render the proposal non-responsive.

3.6 Modification of Proposals

Any proposal modifications or revisions received after the time specified for proposal closing may not be considered.

3.7 Unbalanced Proposals

KCATA may determine that an offer is unacceptable if the prices proposed are materially unbalanced. An offer is materially unbalanced when it is based on prices significantly less than cost for some work and prices which are significantly overstated in relation to cost for other work.

3.8 Protests

A. The following protest procedures will be employed for this procurement. For the purposes of these procedures, “days” shall mean business days of KCATA administrative personnel which are days other than a Saturday, Sunday or legal holiday observed by KCATA for such administrative personnel.

1. Pre-Submittal. A pre-submittal protest is received prior to the proposal due date. Pre-submittal protests must be received by the Authority, in writing and addressed to KCATA’s Director of Procurement, no later than five (5) days before the bid closing date.

2. Post-Submittal/Pre-Award. A post-submittal/pre-award protest is a protest against making an award and is received after receipt of proposals but before award of a contract. C. The Chief Financial Officer will decide if the protest and the appeal (if any) have been given fair and reasonable consideration, or if additional consideration is warranted. The Chief Financial Officer’s response will be provided within ten (10) days after receipt of the request. The Chief Financial Officer’s decision is final and no further action on the protest shall be taken by the KCATA.

D. By written notice to all parties, KCATA’s Director of Procurement may extend the time provided for each step of the protest procedures, extend the date of notice of award, or postpone the award of a contract if deemed appropriate for protest resolution.

E. Protesters shall be aware of the Federal Transit Administration’s (FTA) protest procedures with the FTA Regional Office (ref: FTA Circular 4220.1F) If federal funding is involved, FTA will review protests from a third party only when: 1) a grantee does not have a written protest procedure or fails to follow its procedure or fails to review a complaint or protest; or 2) violations of specific federal laws or regulations have occurred.

F. An appeal to FTA must be received by FTA’s regional office within five (5) working days of the date the protester learned or should have learned of KCATA’s decision. Protests shall be addressed to: Regional Administrator, FTA Region 7, 901 Locust, Room 404, Kansas City, Missouri, 64106.

3. segregating each page of each such document in a sealed envelope, which shall prominently display, on the outside, the words “Proprietary Information” in at least 16-point font, along with the name and address of the Proposer.

B. After either a contract is executed pursuant to this RFP, or all proposals are rejected, the proposals will be considered public records open for inspection. If access to documents marked “Proprietary Information,” as provided above, is requested under the Missouri Sunshine Law, Section 610 of the Revised Statutes of Missouri, the KCATA will notify the Proposer of the request
and the Proposer shall have the burden to establish that such documents are exempt from disclosure under the law. Notwithstanding the foregoing, in response to a formal request for information, the KCATA reserves the right to release any documents if the KCATA determines that such information is a public record pursuant to the Missouri Sunshine Law.

3.10 **Disadvantaged Business Enterprise (DBE) and Small Business Enterprise (SBE) Requirements**

It is the policy of KCATA and the United States Department of Transportation (USDOT) that Disadvantaged Business Enterprises (DBE's) and Small Business Enterprises (SBE’s), as defined herein and in the Federal regulations published as 49 CFR Part 26, shall have an equal opportunity to participate in DOT-assisted contracts. It is also the policy of KCATA to:

1. Ensure nondiscrimination in the award and administration of DOT-assisted contracts;

2. Create a level playing field on which DBE’s/SBE’s can compete fairly for DOT-assisted contracts;

3. Ensure that the DBE program is narrowly tailored in accordance with applicable law;

5. Help remove barriers to the participation of DBE’s in DOT assisted contracts;

6. To promote the use of DBE’s in all types of federally assisted contracts and procurement activities; and

7. Assist in the development of firms that can compete successfully in the marketplace outside the DBE program.

B. **Non-discrimination.** Proposers shall not discriminate on the basis of race, color, creed, age, sex, sexual orientation, gender identity, national origin or disability in the performance of this project. The Proposer shall carry out applicable requirements of 49 CFR Part 26 in the award and administration of DOT-assisted contracts. Failure by the Proposer to carry out these requirements is a material breach of the resulting contract, which may result in the termination of the contract or such other remedy as KCATA deems appropriate.

C. **Certified Minority Owned Business Enterprises (MBE’s), Woman Owned Business Enterprises (WBE’s), Small Business Enterprises (SBE’s) and DBE firms are encouraged to submit proposals as prime or subcontractors.**

D. **DBE Certification.** DBE/SBE firms may participate as prime Contractors, subcontractors or suppliers. KCATA will only recognize firms that are certified as DBEs/SBEs under the DOT guidelines found in 49 CFR Part 26. Firms must be certified as a DBE/SBE by a member of the Missouri Regional Certification Committee, which includes KCMO, MoDOT, City of St. Louis, Metro in St. Louis or KCATA. A list of certified firms may be found at [https://www.modot.org/mrcc-directory](https://www.modot.org/mrcc-directory)

Where applicable, the Contractor shall obtain and keep in effect during the term of the contract, Umbrella or Excess Liability Insurance covering their liability over the limit for primary general liability, automobile liability, and employer’s liability.

18. **LIABILITY AND INDEMNIFICATION**

A. **Contractor’s Liability.** Contractor shall be liable for all damages to persons (including employees of Contractor) or property of any type that may occur as a result of any act or omission by Contractor, any
subcontractors, or sub-subcontractor, their respective agents or anyone directly employed by any of them or anyone.

B. **Subrogation.** Contractor, its agents and any subcontractor hereby waive and relinquish any right of subrogation or claim against KCATA, its commissioners, senior leaders and employees arising out of the use of KCATA’s premises (including any equipment) by any party in performance of this Agreement.

C. **Indemnification.**

1. To the fullest extent permitted by law, Contractor agrees to and shall indemnify, defend and hold harmless KCATA, its Commissioners, officers and employees from and against any and all claims, losses, damages, causes of action, suits, liens and liability of every kind, (including all expenses of litigation, expert witness fees, court costs and attorney’s fees whether or not suit be commenced) by or to any person or entity (collectively the “Liabilities”) arising out of, caused by, or resulting from the acts or omissions of Contractor, subcontractors, or sub-subcontractors, their respective agents or anyone directly or indirectly employed by any of them in performing work under this Contract, regardless of whether or not such claim, damage, loss or expense is caused in part by a party indemnified hereunder, so long as such Liabilities are not caused by the sole negligence or willful misconduct of a party indemnified hereunder. Such obligation shall not be construed to negate, abridge or otherwise reduce other rights or obligations of indemnity which would otherwise exist as to a party or person described in this paragraph. Contractor shall also indemnify, hold harmless and defend the KCATA for any contractor or subcontractor action, tort or violation of federal or state law or city ordinance.

2. In claims against any person or entity indemnified under this section, by an employee or Contractor, or anyone directly or indirectly employed by any of them, the subcontractor or sub-subcontractor indemnification obligation shall not be limited by a limitation on the amount or type of damages, compensation or benefits payable by or for the Contractor, subcontractor, or sub-subcontractor under worker’s compensation acts, disability benefit acts or other employee benefit acts. If any action at law or suit in equity is instituted by any third party against Contractor arising out of or resulting from the acts of Contractor in performing work under this Contract, Contractor shall promptly notify KCATA of such suit.

3. If any action at law or suit in equity is instituted by any third party against KCATA or its commissioners, officers or employees arising out of or resulting from the acts of Contractor, a subcontractor or sub-subcontractor, their respective agents or anyone directly or indirectly employed by any of them in providing products, equipment or materials, or in performing work or services under this Contract, and if Contractor has failed to provide insurance coverage to KCATA against such action as required herein or otherwise refuses to defend such action, KCATA shall have the right to conduct and control, through counsel of its choosing, the defense of any third party claim, action or suit, and may compromise or settle the same, provided that KCATA shall give the Contractor advance notice of any proposed compromise or settlement. Under these circumstances, KCATA retains the right to recover all costs of defense from the Contractor.

4. KCATA shall permit Contractor to participate in the defense of any such action or suit through counsel chosen by the Contractor, provided that all fees and expenses of such counsel shall be borne by Contractor. If KCATA permits Contractor to undertake, conduct and control the conduct and settlement of such action or suit, Contractor shall not consent to any settlement that does not include as an unconditional term thereof the giving of a complete release from liability with respect to such action or suit to KCATA. Contractor shall promptly reimburse KCATA for the full amount of
any damages, including fees and expenses of counsel for KCATA, incurred in connection with any such action.

D. **Release of Liability.** Contractor, its officers, directors, employees, heirs, administrators, executors, agents and representatives and respective successors and assigns hereby fully release, remise, acquit and forever discharge the KCATA and its commissioners, officers, directors, attorneys, employees, agents, representatives and its respective successors and assigns from any and all actions, claims, causes of action, suits, rights, debts, liabilities, accounts, agreements, covenants, contracts, promises, warranties, judgments, executions, demands, damages, costs and expenses, whether known or unknown at this time, of any kind or nature, absolute or contingent, existing at law or in equity, on account of any matter related to this agreement, cause or thing whatsoever that has happened, developed or occurred before or after you sign and deliver this Contract to KCATA. This release will survive the termination of this Contract.

This shall not be construed to prevent any such person from owning stock in a publicly owned corporation.

B. No member of, or delegates to, the Congress of the United States shall be admitted to any share or part of the Contract, or to any benefit arising there from. This shall not be construed to prevent any such person from owning stock in a publicly-owned corporation.

22 PROHIBITED WEAPONS AND MATERIALS

A. Missouri Revised Statutes, Section 571.107 (R.S.Mo. §571.107) allows government units and businesses to prohibit persons holding a concealed carry endorsement from carrying concealed firearms on its premises. Accordingly, KCATA has adopted the following rules prohibiting weapons, whether concealed or not, and whether or not the individual carrying the weapon has an endorsement or permit to carry.

B. No weapon, including firearms concealed or not, or other instrument intended for use as a weapon, or any object capable of inflicting serious bodily injury upon another person or property may be carried in or on any facility or property of KCATA, including vehicles of contractors parked on KCATA property or leased facilities, or vehicles used in transporting KCATA customers, even if a person has a permit to carry a concealed weapon, unless authorized in writing to do so by KCATA. For the purposes hereof, a weapon shall include, but not be limited to, a firearm, knife, sword, mace, or any instrument of any kind known as blackjack, billy club, club, sandbag and metal knuckles.

C. No explosives, flammable liquids, acids, fireworks, other highly combustible materials, radioactive materials or biochemical materials may be carried on or in any KCATA property, facility or vehicle, including vehicles of contractors parked on KCATA property or leased facilities, or vehicles used in transporting any KCATA customer, except as authorized in writing by KCATA.

D. Any contractor, subcontractor, employee or agent thereof, who has a firearm or other weapon, including those used for recreational purposes, in his/her possession, including on his/her person, in a vehicle on an KCATA facility, in a vehicle carrying KCATA customers, or accessible such as in first aid kits, toolboxes, purses, lunch or carrying bags, etc., at any time while performing KCATA contracted services or on KCATA property, including parking lots, concealed or not, shall be immediately prohibited from performing any further KCATA work, even if the person has a permit to carry a concealed weapon.

E. Any KCATA contractor, subcontractor, employee or agent thereof, while performing KCATA contracted services or on any KCATA property or facilities, who has in his/her possession, carries, transports, displays, uses, flourishes, or threatens another person with a weapon, radioactive material, biochemical material or other dangerous weapon, object or material, which has the capability of inflicting bodily injury, shall be immediately prohibited from performing any further KCATA work and reported to local law enforcement authorities.
23. REQUESTS FOR PAYMENT

A. Invoices requesting payment shall be submitted electronically to KCATA’s dedicated Accounts Payable email at payme@kcata.org with a copy sent to the Procurement Representative identified in this contract. All invoices shall be numbered, dated and contain full descriptive information of materials or services furnished. All invoices and correspondence shall reference KCATA’s contract number and purchase order number. Separate invoices shall be submitted for each purchase order or work (task) order.

B. Payment by KCATA will be made within the later of 1) 30 days after receipt of a proper invoice, or 2) 30 days after KCATA’s acceptance of supplies delivered or services performed by the Contractor. On a final invoice where the payment amount is subject to contract settlement actions, acceptance shall be deemed to have occurred on the effective date of the contract settlement.

C. All final invoices shall be submitted to KCATA within 90 days of project completion or contract termination. Invoices submitted more than 90 days after project completion or contract termination will not be valid and will not be paid. Contractor indemnifies and holds KCATA harmless for any suit filed for payment of invoices submitted after 90 days of project completion or contract termination.

24. RIGHT TO OFFSET

KCATA, without waiver or limitation of any rights, may deduct from any amounts due Contractor in connection with this Contract, or any other contract between Contractor and KCATA, any amounts owed by Contractor to KCATA, including amounts owed by Contractor pursuant to Contractor’s obligation to indemnify KCATA against third party claims arising out of Contractor’s performance of work under this Contract.

25. SEAT BELT USE POLICY

Contractor agrees to comply with terms of Executive Order No. 13043 “Increasing Seat Belt Use in the United States” and is encouraged to include those requirements in each subcontract awarded for work relating to this Agreement.

26. SEVERABILITY

If any clause or provision of this Contract is held to be invalid illegal or otherwise unenforceable by a court of competent jurisdiction, the remaining provisions of this Contract shall continue in full force and effect.

27. SUBCONTRACTORS

A. Subcontractor Approval. None of the work or services covered by this Contract shall be subcontracted without the prior written approval of KCATA. The only subcontractors approved for this Contract, if any, are listed in an appendix to this Contract. Any substitutions or additions of subcontractors must have the prior written approval of KCATA as set forth herein.

B. The Contractor is responsible for managing and directing the work of the Subcontractors and for all actions of subcontractors performing work under this Contract. Any contact from Subcontractors to KCATA shall be limited to KCATA’s Director of Procurement.

D. Subcontractor Payments. See Requests for Payment Provisions.
E. **Adequate Provision(s) in Subcontract(s).** Any subcontracts related to this Contract must contain adequate provisions to define a sound and complete agreement. In addition, all subcontracts shall contain contractual provisions or conditions that allow for:

1. Administrative, contractual, or legal remedies in instances where subcontractors violate or breach contract terms, including sanctions and penalties as may be appropriate.

H. KCATA may perform random audits and contact minority subcontractors to confirm the reported DBE participation.

28. SUSPENSION OF WORK

KCATA may order the Contractor, in writing, to suspend, delay, or interrupt all or any part of the work under this agreement for the period of time that KCATA determines appropriate for the convenience of KCATA.

29. TAXPAYER IDENTIFICATION NUMBER (TIN)

The Contractor is required to provide its TIN, which is the number required by the IRS to be used by KCATA in reporting income tax and other returns. The TIN provided by the Contractor is ________________.

30. TERMINATION

A. Termination for Convenience. The KCATA may terminate this Contract, in whole or in part, at any time by written notice to the Contractor when it is in KCATA’s best interest. The Contractor will only be paid the Contract price for supplies delivered and accepted, or work or services performed in accordance with the manner of performance set forth in the Contract.

B. Funding Contingency. If this Contract is subject to financial assistance provided by the U.S. Department of Transportation, the Contractor agrees that withdrawal or termination of such financial assistance by the U.S. DOT may require KCATA to terminate the agreement.

C. Termination for Default.

1. If the Contractor does not deliver supplies in accordance with the contract delivery schedule or according to specifications, or if the Contract is for services, and the Contractor fails to perform in the manner called for in the Contract, or if the Contractor fails to comply with any other provisions of the Contract, KCATA may terminate this Contract for default. Termination shall be effected by serving a notice of termination on the Contractor setting forth the manner in which the Contractor is in default. The Contractor will only be paid the contract price for supplies delivered and accepted, or services performed in accordance with the manner of performance set forth cost of the Contract.

2. If the termination is for failure of the Contractor to fulfill the contract obligations, KCATA may complete the work by contract or otherwise and the Contractor shall be liable for any additional cost incurred by KCATA. If, after termination for failure to fulfill contract obligations, it is determined that the Contractor was not in default, KCATA, after setting up a new delivery or performance schedule, may allow the Contractor to continue work, or treat the termination as a termination for convenience.

D. Opportunity to Cure. KCATA in its sole discretion may, in the case of a termination for breach or default, allow the Contractor an appropriately short period of time in which to cure the defect. In such case, the written notice of termination will state the time period in which cure is permitted and other appropriate conditions. If Contractor fails to remedy to KCATA’s satisfaction the breach or default of any of the terms, covenants, or conditions of this Contract within the time period permitted, KCATA shall have the right to terminate the Contract without any further obligation to Contractor. Any such termination for default shall not in any way operate to preclude KCATA from also pursuing all available remedies legal and non-legal
against Contractor and its sureties for said breach or default.

E. **Waiver of Remedies for any Breach.** In the event that KCATA elects to waive its remedies for any breach by Contractor of any covenant, term or condition of this Agreement, such waiver by KCATA shall not limit KCATA’s remedies for any succeeding breach of that or of any other term, covenant, or condition of this Agreement.

F. **Property of KCATA.** Upon termination of this Contract for any reason, and if the Contractor has any property in its possession or under its control belonging to KCATA, the Contractor shall protect and preserve the property or pay KCATA full market value of the property, account for the same, and dispose of it in the manner KCATA directs. Upon termination of this Contract for any reason, the Contractor shall (1) immediately discontinue all services affected (unless the notice directs otherwise), and (2) deliver to KCATA’s Project Manager all data, drawings, specifications, reports, estimates, summaries, and other information and materials accumulated in performing this Contract, whether completed or in process.

31. **UNAVOIDABLE DELAYS**

A. A delay is unavoidable only if the delay was not reasonably expected to occur in connection with or during the Contractor’s performance, and was not caused directly or substantially by acts, omissions, negligence, or mistakes of the Contractor, the Contractor’s suppliers or their agents, and was substantial and in fact caused the Contractor to miss delivery dates, and could not adequately have been guarded against by contractual or legal means.

B. **Notification of Delays.** The Contractor shall notify the Director of Procurement as soon as the Contractor has, or should have, knowledge that an event has occurred which will cause an unavoidable delay. Within five (5) days, the Contractor shall confirm such notice in writing, furnishing as much as detail as is available.

C. **Request for Extension.** The Contractor agrees to supply, as soon as such data is available, any reasonable proof that is required by the Director of Procurement to make a decision on any request for extension. The Director of Procurement shall examine the request and any documents supplied by the Contractor and shall determine if the Contractor is entitled to an extension and the duration of such extension. The Director of Procurement shall notify the Contractor of its decision in writing.

D. It is expressly understood and agreed that the Contractor shall not be entitled to damages or compensation, and shall not be reimbursed for losses on account of delays resulting from any cause under this provision, except to the extent the Contractor’s delay was attributable to KCATA’s non-performance of its duties herein.

32. **GENERAL PROVISIONS**

A. **No Third-Party Beneficiaries.** The parties do not intend to confer any benefit hereunder on any person, firm or entity other than the parties hereto.

B. **Extensions of Time.** No extension of time for performance of any Contractor obligations or acts shall be deemed an extension of time for performance of any other obligations or acts.

C. **Time of Essence.** Time is of the essence in Contractor’s performance of this Agreement.

D. **Time Periods.** A “business day” is a business working day of KCATA administrative personnel which are days other than a Saturday, Sunday or legal holidays observed by the KCATA for administrative personnel.
If the time period by which any right or election provided under this Contract must be exercised, or by which any act required hereunder must be performed, expires on a day which is not a business day, then such time period shall be automatically extended through the close of business on the next regularly scheduled business day.

E. **Binding Effect.** This Contract shall bind and inure to the benefit of the legal representatives, successors and permitted assigns of the parties.

F. **Counterparts.** This Contract may be executed at different times and in two or more counterparts and all counterparts so executed shall for all purposes constitute one contract, binding on all the parties hereto, notwithstanding that all parties shall not have executed the same counterpart. And, in proving this Contract, it shall not be necessary to produce or account for more than one such counterpart executed by the party against whom enforcement is sought.

G. **Interpretation; Update of Citations.** Unless otherwise specified herein, (a) the singular includes the plural and the plural the singular; (b) words importing any gender include the other genders; and (c) references to persons or parties include their permitted successors and assigns. The parties recognize and agree that many of the laws, regulations, policies, procedures and directives stated as governing the Contractor’s performance of its work or services, or the supplying of products, equipment, or materials, pursuant to this Contract are subject to updating, amendment or replacement. Therefore, all such references in this Contract are agreed by the parties to be deemed to refer to the then current updated, amended or replacement form of such laws, regulations, policies, procedures and directives in effect at the applicable time during the term of this Contract and the same are hereby incorporated into this Contract by this reference.

H. **When Effective.** Notwithstanding any provision contained in this Contract to the contrary, this Contract shall become effective only after the execution and delivery of this Contract by each of the parties hereto and no course of conduct, oral contract or written memoranda shall bind the parties hereto with respect to the subject matter hereof except this Contract.

I. **Further Actions; Reasonableness and Cooperation by Parties; Time for Certain Actions.** Each party agrees to take such further actions and to execute such additional documents or instruments as may be reasonably requested by the other party to carry out the purpose and intent of this Contract. Except where expressly stated to be in a party’s sole discretion, or where it is stated that a party has the ability to act in its sole judgment or for its own uses or purposes, wherever it is provided or contemplated in this Contract that a party must give its consent or approval to actions or inactions by the other party or a third party in connection with the transactions contemplated hereby, such consent or approval will not be unreasonably withheld or delayed. If no time period is set hereunder for a party to approve or consent to an action or inaction by the other party or a third party such approval shall be given or affirmatively withheld in writing within ten (10) business days after it is requested in writing or it shall be deemed given.

J. **Survival.** In addition to any provisions expressly stated to survive termination of this Contract, all provisions which by their terms provide for or contemplate obligations or duties of a party which are to extend beyond such termination (and the corresponding rights of the other party to enforce or receive the benefit thereof) shall survive such termination.

K. **Authority of Signatories.** Any person executing this Contract in a representative capacity represents and warrants that such person has the authority to do so and, upon request, will furnish proof of such authority in customary form.

Vendors that have previously registered with KCATA must now also complete the online process with updated information.

To begin, you must set up an account at https://kcata.diversitycompliance.com where you will be given a temporary password. You will receive a confirmation email and be directed to change your password. You may follow the instruction guide to complete the process. B2GNow also conducts webinars that provide guided training on navigating the system and its available features.

The following forms are required and must be provided at the time of registration. Failure to provide these forms will delay the approval process.

d. **Vendor Registration Questionnaire.** The fillable form is provided online.

e. **KCATA Affidavit of Civil Rights Compliance.** Contractors and subcontractors agree to comply with Federal Transit Law, specifically 49 U.S.C. 5332 which prohibits discrimination, including discrimination in employment and discrimination in business opportunity.
